Comprehensive Plan Text Amendment

Land Use Regulation Amendment

New Land Use Regulation

Summarize the adopted amendment. Do not use technical terms. Do not write “See Attached”.

We revised our Comprehensive plan to be more specific on what is allowed in our Industrial zone, to include food, agricultural, and timber processing plants. We now require building permits and site plans for any development or land use in the Commercial zone. We changed the allowable size for an accessory building from 14 feet to 15 feet in height, and from 600 square feet to 800 square feet in our Residential zone.

CITY OF HINES
ORDINANCE NO. 300

AN ORDINANCE AMENDING SECTION 2.1, SECTION 3.1, SECTION 3.4 AND SECTION 3.6 OF THE HINES COMPREHENSIVE PLAN, AND DECLARING AN EMERGENCY.

WHEREAS, the Common Council of the City of Hines, Oregon, has considered and voted to adopt changes to the Zoning Section of its Comprehensive Plan, and identified specific zones and permitted uses therein,

THEREFORE, the City of Hines ordains, as follows:

Section 1. ADOPTION. Changes to Section 2.1, entitled “COMPLIANCE WITH ORDINANCE PROVISIONS”; Section 3.1 “SINGLE FAMILY RESIDENTIAL ZONE ‘RS’”; Section 3.4 “COMMERCIAL ZONE ‘C’”; and Section 3.6 “INDUSTRIAL ZONE ‘I’” are adopted as follows:

(See Exhibit “A”)

Section 2. EMERGENCY. This Ordinance is necessary for the public peace, health and safety; an emergency is declared to exist; and this ordinance takes effect upon its passage.

READ, CONSIDERED and PASSED by a vote of 5 for and 0 against, this 28th day of August, 2012.

CITY OF HINES
By: NIKKI MORGAN, Mayor

ATTESTED TO BY:
JOAN DAVIES, City Administrator
SECTION 2.1 – COMPLIANCE WITH ORDINANCE PROVISIONS.

(1) The land may be used, and a structure or part of a structure may be constructed, reconstructed, altered, occupied or used, only as this ordinance shall permit.

(2) A building permit is required for all structures containing more than 200 square feet. In order to obtain the City approval of a building permit for a single-family or duplex dwelling unit and/or accessory structures, a plot plan must be prepared and presented, along with the building permit application, to the City Administrator.

The plot plan shall include the lot dimensions; proposed and existing structures, including dimensions and height of building; proposed and existing setbacks from all property lines; driveway locations and off-street parking areas; water and sewer locations; and sidewalk locations.

All other proposed uses require preparation and submission of a site plan. Sample plot plans/site plans are available at City Hall.

(3) A building permit is required for ALL structural changes and construction in the Commercial Zone. A permit will be issued upon land use, site review and construction plan approval by the appropriate authorities.

SECTION 2.2 – ESTABLISHMENT OF LAND USE ZONE. This ordinance hereby establishes the following land use zones for the City:

- Residential: Single-family
- Residential: Large Lot
- Residential: Multi-Family
- Commercial
- Commercial: Downtown
- Industrial
- Open Space/Public Facilities

SECTION 2.3 – LOCATION OF ZONES. The boundaries of the zones listed in this ordinance are indicated on the Hines Zoning Map.

SECTION 3.1 – SINGLE FAMILY RESIDENTIAL ZONE “RS”.

USES. Buildings or structures hereafter erected, structurally altered, enlarged or moved, and land hereafter used, in the “RS” Residential Zone shall comply with the following regulations:

(1) PERMITTED USES:

(A) Single-family dwellings, including manufactured homes, meeting the standards of Section 4.7. Each dwelling unit shall utilize two (2) of the following design features to provide visual relief along the front of the residence.
1. Dormers
2. Gables
3. Recessed entries
4. Covered porch entries
5. Cupolas
6. Pillars or posts
7. Bay window (minimum 12-inch projection)
8. Eaves (minimum six-inch projection)
9. Off-sets in building face or roof (minimum 16 inches)

(B) Accessory uses and accessory buildings which are customarily incidental to the above uses. Detached accessory buildings shall not be located within the required setback areas or less than six and one-half (6-1/2) feet from the main building. Accessory uses and accessory buildings are those which are clearly incidental and subordinate to the primary use of the main building. The height of accessory buildings shall be limited to fifteen (15) feet. The area of an accessory building shall be limited to 800 square feet.

SECTION 3.4 – COMMERCIAL ZONE “C”.

USES. Buildings and structures hereafter erected, structurally altered, enlarged or moved, or land hereafter used in the “C” Commercial Zone, shall comply with the following regulations. A building permit is required for ALL structural changes and construction in the Commercial Zone. A permit will be issued upon land use, site review and construction plan approval by the appropriate authorities.

(1) PERMITTED USES. Subject to site plan approval. The intent of this provision is to ensure public safety, aesthetic quality and compatibility of uses, all as set forth in this Ordinance. Therefore, the commission shall review and approve a site plan for any development in the Commercial Zone, prior to issuance of a permit for development in said Zone.

(A) Retail trade establishments in which the operation takes place solely within an enclosed building.

(B) Business, governmental or professional offices

(C) Financial institution

(D) Personal and business services such as barber shop, tailoring shop, printing shop, laundry or electrical repair shops.

(E) Transportation Improvements:

1. Normal operation, maintenance, repair and preservation activities of existing transportation facilities.
2. Installation of culverts, pathways, medians, fencing, guardrails, lighting and similar types of improvements within the existing right-of-way.

3. Projects specifically identified in the Transportation System Plan as not requiring further land use regulation.

4. Landscaping as part of a transportation facility.

5. Emergency measures necessary for the safety and protection of property.

6. Acquisition of right-of-way for public roads, highways and other transportation improvements designated in the Transportation System Plan, except for those that are located in exclusive farm use or forest zones.

7. Construction of a street or road as part of an approved subdivision or land partition, consistent with the applicable land division ordinance.

(F) Lodging; Motels

SECTION 3.6 – INDUSTRIAL “I”.

The purpose of the “I” Industrial Zone is to provide areas for the making of commodities by manufacturing, assembling, fabrication or compounding by manual labor or machinery. The term includes physical or chemical processes or combinations thereof. Permitted uses are subject to site plan approval. The intent of this provision is to ensure public safety, aesthetic quality and compatibility of uses, as set forth in this Ordinance. Therefore, the commission shall review and approve a site plan for any development in the Industrial Zone, prior to issuance of a permit for development in said zone.

(1) PERMITTED USES.

(A) Light industrial is defined as those activities identified above which occur totally within an enclosed structure. There is no odor, vibration, dust or noise discernible to the human sensory perception, beyond the exterior walls of the structure. Goods are not generally displayed, and retail sales do not generally occur on-site. However, retail sales are allowed as accessory and subordinate to the permitted use.

(B) Uses may include, but are not limited to, offices; parking; storage; welding and machine shops; repair of tools; electric motors; scientific or professional instruments; sales, repair, storage, salvage or wrecking of heavy machinery and equipment; metal (ferrous and non-ferrous) building materials; autos, trucks and aircraft; vehicle towing and storage; tire re-treading or re-capping; truck stops; building, heating, plumbing or electrical contractors; printing, publishing and lithography; exterminators; recycling.
operations; janitorial and building maintenance services; fuel and oil distributors; solid fuel yards; research and development laboratories; laundry, dry-cleaning and carpet-cleaning operations; photofinishing operations; food processing plants including slaughter houses, agricultural processing and similar uses; lumber mills and associated uses.

(C) Transportation Improvements meeting Supplemental Provisions:

1. Normal operation, maintenance, repair and preservation activities of existing transportation facilities.

2. Installation of culverts, pathways, medians, fencing, guardrails, lighting and similar types of improvements within the existing right-of-way.

3. Projects specifically identified in the Transportation System Plan as not requiring further land use regulation.

4. Landscaping as part of a transportation facility.
