Four Properties Totaling 6.43 Acres

1. GENERAL INFORMATION

PROPOSAL:

The City seeks approval of the annexation of four properties, with a cumulative area of approximately 6.43 acres, and the legislative amending of the City's Comprehensive Plan Map/Zoning Map to convert the existing Clackamas County Comprehensive Plan designation/zoning district for the subject properties to an equivalent Happy Valley plan designation/zoning district, as set forth in Section 16.67.070 of the City's Land Development Code (LDC). Staff has determined that the proposed annexation/zoning conversion complies with the applicable requirements of the Statewide Planning Goals, Oregon Revised Statutes (ORS), Metro Code, and the City's Comprehensive Plan and LDC. Therefore, staff recommends the City Council APPROVE the proposed annexation subject to the findings and conclusions in this report.

Preserving and enhancing the safety, livability and character of our community
APPLICABLE CRITERIA:

Applicable Statewide Planning Goals; ORS 222.111 and 222.125; Metro Code 3.09.045; and applicable policies and sections of the City of Happy Valley Comprehensive Plan and Municipal Code, Title 16 (Land Development Code) - including Section 16.67.070 (Annexations).

BACKGROUND:

The City of Happy Valley makes available petitions for annexation to area property owners and received signed petitions requesting annexation from the owners of the subject properties.

GENERAL DISCUSSION:

The proposed annexation was initiated by petitions signed by the owners of 100 percent of the property owners that represent 100 percent of the assessed value, and that represent at least 50 percent of the electors within the area being annexed. The proposal meets the requirements of Metro Ordinance Number 98-791, Chapter 3.09.045, and ORS 222.125.

The properties proposed to be annexed are located in several areas that are adjacent to the existing city limits, as noted on Exhibit A. The legal descriptions for the areas proposed for annexation are included as exhibits to the ordinance accompanying this file (Ordinance Number 438) and the annexation application data forms for the areas to be annexed are attached as Exhibit B.

The proposed annexation incorporates four properties consisting of 6.43 acres located adjacent (which includes “reachable” by annexation via public right-of-way) to the existing boundary of the City of Happy Valley. The desire of the property owners to obtain city services/permit review and/or land use regulations for the subject properties have prompted the proposed annexation request.

This staff report outlines the subject properties as to their specific configuration, existing land use, population, assessed value and other criteria for approval of boundary changes. See attached Exhibits A, B and C.

The proposed annexation boundaries have been drawn up to include only the properties represented by the property owners or their representatives who signed the annexation petitions and applicable public right-of-way.

One of the properties proposed for annexation (Tax Lot 100) currently has a Clackamas County Comprehensive Plan designation/land use zone of “Light Industrial” (I-2) and is the location of an industrial style building. With the approval of the proposed annexation, Tax Lot 100 will receive a City plan designation/zoning district of “Industrial Campus” (IC). The type of building that exists on Tax Lot 100 would facilitate many of the permitted uses within the IC zone.
Two of the properties proposed for annexation (Tax Lots 800 and 2100) are Lots of Record that currently have a Clackamas County plan designation/zone of “Urban Low Density Residential” (R-7), which would convert to a City plan designation/zone of “Low Density Residential” (R-7). Tax Lot 800 is 1.25 acres in size and currently vacant, Tax Lot 2100 is 4.99 acres in size and contains one single-family detached residence. It is the desire of the owners of these two properties to annex into the City to process future land use applications and building permits through the City.

The final property proposed for annexation is a vacant .34-acre Lot of Record (Tax Lot 7600) located on SE Valley View Terrace, which currently has a Clackamas County plan designation/zone of “Urban Low Density Residential” (R-10). With the approval of this annexation Tax Lot 7600 would convert to a City plan designation/zoning district of “Low Density Residential” (R-10).

This proposed annexation complies with the present agreements the City has with various urban service providers. All of the subject properties are currently located within Clackamas County Service District #1 (CCSD #1), which provides sanitary sewer and stormwater management services to the City and other urbanized areas of Clackamas County. Three of the four subject properties are provided water service by Sunrise Water Authority (SWA), one of the City’s service providers of potable water. SWA will continue to provide water services to these properties subsequent to the approval of this annexation. The remaining property, Tax Lot 100, is currently provided water service by Clackamas River Water (CRW), also one of the City’s service providers of potable water. The City is currently working with CRW to establish an urban service agreement, and although the city does not currently have an urban service agreement with CRW, CRW will continue to provide Tax Lot 100 with water service subsequent to the approval of this annexation. Also subsequent to the approval of this annexation, the owners of the subject properties will continue to be provided street lighting services by Clackamas County Service District #5 (CCSD #5). The subject properties are also currently within the North Clackamas Parks and Recreation District (NCPRD) and would continue to be with the approval of this annexation proposal. The subject properties will need to be removed from the Clackamas County Enhanced Law Enforcement District and will be provided law enforcement services by the Happy Valley Police Department. Also, the subject properties are within Clackamas Fire District #1 (CFD #1). CFD #1 provides the subject properties with fire protection and will continue to provide this service following the approval of this annexation.

The Metro Regional Framework Plan contains standards and criteria guiding the management and expansion of the Urban Growth Boundary (UGB), but most are not directly applicable to this annexation application. The Framework Plan does address the issues of annexation of properties to cities as appropriate to ensure adequate government jurisdiction and public facilities review and approvals.

The Metro Urban Growth Management Functional Plan (UGMFP) contains population and household growth figures for each jurisdiction in the region, including the City of Happy Valley. These figures should be accommodated over the next 20 years. The approval of this annexation request will work to provide housing and employment opportunities to current and future residents of the City as specified in the functional plan.
II. FINDINGS OF FACT

STATEWIDE PLANNING GOALS (DLCD)

"Goal 1: Citizen Involvement (660-015-0000(1))
Goal 1 specifies that each city adopt a program for citizen involvement that clearly defines the procedures by which the general public will be involved in the ongoing land-use planning process. This program shall provide for continuity of citizen participation and of information that enables citizens to identify and comprehend the issues.

Response:

The City of Happy Valley provided notice to all interested parties, necessary parties, and land owners within 300 feet. The notice stated that the process would be expedited. This criterion has been satisfied.

"Goal 2: Land Use Planning (660-015-0000(2))
Goal 2 specifies the need to establish a land use planning process and policy framework as a basis for all decision and actions related to use of land and to assure an adequate factual base for such decisions and actions.

Response:

The City's LDC establishes provisions for the expedited annexation process and county to city zoning conversion. This staff report and findings demonstrate compliance with applicable policies and regulations of all local, regional and state regulations. This criterion has been satisfied.

"Goal 9: Economic Development (660-015-0000(9))
Goal 9 specifies that each city throughout the state must provide adequate opportunities for a variety of economic activities vital to the health, welfare, and prosperity of Oregon's citizens.

Response:

The subject properties are located within an area that has already been comprehensively planned for by Clackamas County. One of the subject properties, Tax Lot 100, currently has a Clackamas County plan designation/zonc of I-2, which would convert to a City plan designation/zonc of IC. This zone allows for Tax Lot 100 to remain as a commercial/light industrial use that would provide employment opportunities to residents of the City and urbanized Clackamas County. The proposed annexation meets the City's Comprehensive Plan policies pertaining to Goal 9 and the UGMFP (see Compliance with Regional Goals). Therefore, this criterion is satisfied.

"Goal 10: Housing (660-015-0000(10))
Goal 10 specifies that each city must plan for and accommodate needed housing types, such as multifamily and manufactured housing. It requires each city to inventory its buildable lands, project future needs for such lands, and plan and zone enough buildable land to meet those needs. It also prohibits local plans from discriminating against needed housing types.
Response:

The subject properties are located within an area that has already been comprehensively planned for by Clackamas County. The proposed annexation will provide additional lots for residential construction within the City that would be located near areas that are currently utilized for residential purposes and public parks. The annexation is compliant with the City's Comprehensive Plan goals and policies pertaining to Goal 10 and the UGMFP (see Compliance with Regional Goals) and therefore, this criterion has been satisfied.

**Goal 11: Public Facilities and Services (660-015-0000(11))**

Goal 11 calls for efficient planning of public services such as sewers, water, law enforcement, and fire protection. The goal's central concept is that the public services should be planned in accordance with a community's needs and capacities rather than be forced to respond to development as it occurs.

Response:

Metro Code (3.09.045.d) requires that boundary change proposals meet minimum criteria that include addressing the capacity for urban services. Boundary changes must be consistent with ORS 195.065 and regional and statewide land use goals, including Goal 11.

Clackamas County has provided the comprehensive planning for public services in the area of the subject properties. Prior to the installation of infrastructure related to public services such as sanitary sewer, stormwater management, potable water, and transportation systems Clackamas County and their service providers provided analysis as to how the subject properties (along with other adjacent properties) would best be served by public services.

If the proposed annexation is approved, the subject properties will continue to be provided public services by many of the same agencies that currently serve the annexation area. The subject properties will continue to be provided sanitary sewer and stormwater management services by CCSD #1. Fire protection will continue to be provided to the subject properties by CFD #1. Also, CCSD #5 will continue to administer street lighting to the subject properties.

Three of the four subject properties are provided water service by, one of the City's service providers of potable water. SWA will continue to provide water services to these properties subsequent to the approval of this annexation. The remaining property, Tax Lot 100, is provided water service by CRW, also one of the City's service providers of potable water. CRW will continue to provide Tax Lot 100 with water service subsequent to this annexation. Therefore, this criterion is satisfied.

**Goal 12: Transportation (660-015-0000(12))**

Goal 12 calls for the provision of "a safe, convenient and economic transportation system." It asks for communities to address the needs of the "transportation disadvantaged."
Response:

The Happy Valley Transportation System Plan (TSP) has been updated to include the areas proposed for annexation. The TSP was adopted in December 1998; and amended in 2001, 2006, 2009 and 2010. The TSP includes an inventory of the existing transportation system, addresses current problem areas, and evaluates future needs for both motorized and non-motorized transportation options. The TSP is consistent with the Transportation Planning Rule (TPR), the Metro Regional Transportation Plan (RTP), the Clackamas County Comprehensive Plan and Pedestrian and Bicycle Master Plan, and the Oregon Department of Transportation Oregon Transportation Plan (OTP). This criterion has been satisfied.

Goal 14: Urbanization ((660-015-0000(14))

Goal 14 requires cities to estimate future growth and needs for land and then plan and zone enough land to meet those needs. It calls for each city to establish an “urban growth boundary” (UGB) to “identify and separate urbanizable land from rural land.” It specifies seven factors that must be considered in drawing up a UGB. It also lists four criteria to be applied when undeveloped land within a UGB is to be converted to urban uses.”

Response:

The Happy Valley Comprehensive Plan (1984) and East Happy Valley Comprehensive Plan Update (2009) established a UGB based on the seven criteria outlined in Goal 14. UGB expansions are also regulated regionally through the Metro Regional Framework Plan and UGMFP. The Regional Framework Plan stipulates that cities plan for growth and utilize available land in a manner that is consistent with the regional goals contained in the plan. Through the legislative process, the City is proposing to apply city zoning designations to the subject properties that are equivalent to the existing Clackamas County zoning designation, to be consistent with the existing Clackamas County Comprehensive Plan. The Clackamas County Comprehensive Plan was established in compliance with Goal 14. Therefore, this criterion is satisfied.

Oregon Revised Statutes (ORS)

“ORS 222.111 – [...] (2) A proposal for annexation of territory to a city may be initiated by the legislative body of the city, on its own motion, or by a petition to the legislative body of the city by owners of real property in the territory to be annexed.

Response:

This annexation was the result of petitions filed by the property owners or their representatives who own properties that are contiguous to the City Limits of Happy Valley. The criterion has been satisfied.
ORS 222.125 - Annexation by consent of all owners of land and majority of electors; proclamation of annexation. The legislative body of a city need not call or hold an election in the city or in any contiguous territory proposed to be annexed or hold the hearing otherwise required under ORS 222.120 when all of the owners of land in that territory and not less than 50 percent of the electors, if any, residing in the territory consent in writing to the annexation of the land in the territory and file a statement of their consent with the legislative body. Upon receiving written consent to annexation by owners and electors under this section, the legislative body of the city, by resolution or ordinance, may set the final boundaries of the area to be annexed by a legal description and proclaim the annexation.

Response:

The application was initiated by petitions from owners of 100 percent of the land in the territory to be annexed and 50 percent of the electors in the territory to be annexed. The criterion has been satisfied.

REGIONAL LAND USE REQUIREMENT

“Metro Code 3.09.045 – Expedited Decisions

(a) The governing body of a city or Metro may use the process set forth in this section for minor boundary changes for which the petition is accompanied by the written consents of one hundred percent of property owners and at least fifty percent of the electors, if any, within the affected territory. No public hearing is required.

Response:

The City of Happy Valley established an expedited decision process through the adoption of Resolution Number 05-13. The City has received written consent in the form of petitions from 100 percent of the property owners and 50 percent the electors within the affected territory. The criterion has been satisfied.

(b) The expedited process must provide for a minimum of 20 days’ notice prior to the date set for decision to all necessary parties and other persons entitled to notice by the laws of the city or Metro. The notice shall state that the petition is subject to the expedited process unless a necessary party gives written notice of its objection to the boundary change.

Response:

The City of Happy Valley provided notice to all interested parties, necessary parties and land owners within 300 feet of the subject properties. The notice stated that the process would be expedited. This criterion has been satisfied.

(c) At least seven days prior to the date of decision the city or Metro shall make available to the public a report that includes the following information:

1. The extent to which urban services are available to serve the affected territory, including any extra-territorial extensions of service;
2. Whether the proposed boundary change will result in the withdrawal of the affected territory from the legal boundary of any necessary party; and
(3) The proposed effective date of the boundary change.

Response:

A brief report, addressing the applicable criteria in Section 3.09.045 was available to the public on Monday, June 24, 2013, this criterion has been satisfied.

(d) To approve a boundary change through an expedited process, the city shall:
   (1) Find that the change is consistent with expressly applicable provisions in:
       (A) Any applicable urban service agreement adopted pursuant to ORS 195.065;

Response:

The proposed annexation is consistent with ORS 195.065. As stated above, the subject properties would generally remain within service districts already serving the annexation areas. All of the subject properties are currently located within CCSD #1, which provides sanitary sewer and stormwater management services to the City and other urbanized areas of Clackamas County. Three of the four subject properties are provided water service by SWA, one of the City’s service providers of potable water. SWA will continue to provide water services to these properties subsequent to the approval of this annexation. The remaining property, Tax Lot 100, is currently provided water service by CRW, also one of the City’s service providers of potable water. The City is currently working with CRW to establish an urban service agreement, and although the city does not currently have an urban service agreement with CRW, CRW will continue to provide Tax Lot 100 with water service subsequent to the approval of this annexation. The subject properties are also currently within the NCPRD and would continue to be with the approval of this annexation proposal. The subject properties will need to be removed from the Clackamas County Enhanced Law Enforcement District and will be provided law enforcement services by the Happy Valley Police Department. Also, the subject properties are within CFD #1. CFD #1 provides the subject properties with fire protection and will continue to provide this service following the approval of this annexation. This criterion has been satisfied.

   (B) Any applicable annexation plan adopted pursuant to ORS 195.205;

Response:

An applicable annexation plan adopted pursuant to ORS 195.205 does not exist. Therefore, this criterion does not apply.

   (C) Any applicable cooperative planning agreement adopted pursuant to ORS 195.020(2) between the affected entity and a necessary party;

Response:

An applicable cooperative planning agreement adopted pursuant to ORS 195.020(2) does not exist. Therefore, this criterion does not apply.

   (D) Any applicable public facility plan adopted pursuant to a statewide planning goal on public facilities and services; and
Response:

The proposed annexation would not interfere with the provision, quality, or quantity of public facilities and services. The subject properties are located in areas where urban services have already been installed. This criterion has been satisfied.

(E) Any applicable comprehensive plan; and

Although a specific Comprehensive Plan does not exist for the subject properties outside of the current Clackamas County Comprehensive Plan, if annexed, the subject properties will be subject to the City’s overall Comprehensive Plan, including all relevant policies. Therefore, this criterion is satisfied.

(2) Consider whether the boundary change would:
   (A) Promote the timely, orderly and economic provision of public facilities and services;
   (B) Affect the quality and quantity of urban services; and
   (C) Eliminate or avoid unnecessary duplication of facilities or services.

Response:

The proposed annexation would not interfere with the provision, quality, or quantity of public facilities and services. The subject properties are located in an area where urban services have already been installed. The criterion has been satisfied.

(e) A city may not annex territory that lies outside the UGB, except it may annex a lot or parcel that lies partially within and outside the UGB. Neither a city nor a district may extend water or sewer services from inside a UGB to territory that lies outside the UGB.”

Response:

The subject properties having petitioned for annexation are within the existing Metro UGB. The criterion has been satisfied.

CITY OF HAPPY VALLEY COMPREHENSIVE PLAN

Comprehensive Plan Policies

“Policy 4: To insure orderly development in the City of Happy Valley through formulation of growth management policies and guidelines which will determine that development can occur only when adequate levels of services and facilities are or will be available.

Response:

The subject properties are located where urban services are currently available. In fact, the subject properties currently are served by all Level 1 services. Therefore, this criterion is satisfied.
Policy 5: To encourage controlled development while maintaining and enhancing the physical resources which make Happy Valley a desirable place to live.

Response:

The subject properties are located within an area that has been comprehensively planned for by Clackamas County. This plan was created with preservation and enhancement of physical resources as a goal. Therefore, this criterion is satisfied.

Policy 7: To coordinate with the Metropolitan Service District (Metro) on any proposed changes or adjustments of the Urban Growth Boundary in the immediate vicinity of the City.”

Response:

There are no proposed changes or adjustments to the UGB associated with this annexation application. This criterion is not applicable.

B. When an unincorporated property within the East Happy Valley Comprehensive Plan area, Aldridge Road Comprehensive Plan area, or the Rock Creek Mixed Employment Comprehensive Plan area is annexed to the City, the property shall be rezoned to the applicable zoning designation in the Comprehensive Plan pursuant to the applicable requirements of the Land Development Code.

C. For any proposed annexation to the City, application shall be made directly to the City of Happy Valley on the appropriate forms and accompanied with the required fee. Upon receipt of a copy of the form, the City shall schedule a public hearing before the Planning Commission, which shall make a recommendation to the City Council. The City may utilize any lawful annexation process under state, regional or local law, including the expedited annexation process established in the Metro Code. An expedited annexation process shall be sent directly to the City Council for review. Expedited annexations shall be processed as an ordinance pursuant to the City of Happy Valley Charter.
D. For any proposed deannexation from the City, application shall be made directly to the City of Happy Valley on the appropriate forms and accompanied with the required fee. Upon receipt of a copy of the form the City shall schedule a public hearing before the Planning Commission, which shall make a recommendation to the City Council.”

Response:

Pursuant to Subsection “B” above, the properties associated with this annexation proposal will receive an equivalent city zoning designation per the city’s “conversion matrix”. As a result, if the proposed annexation is approved, an ordinance (Ordinance Number 438) to amend the City’s Comprehensive Plan Map/Zoning Map will be passed that reflects the zoning conversion of the subject properties from their current Clackamas County designations/zones to City of Happy Valley designations/zones. These criteria have been satisfied.

III. CONCLUSION AND RECOMMENDATION:

Staff has determined that the above findings demonstrate that the proposed annexation and zoning conversion of the subject properties satisfy the requirements of the Statewide Planning Goals, ORS, Metro Code 3.09, and City of Happy Valley Comprehensive Plan and LDC. Staff, therefore, recommends that the City Council approve application ANN-03-13/LDC-06-13/CPA-05-13.
