STAFF REPORT TO THE CITY COUNCIL

September 17, 2013

ANNEXATION APPLICATION (File Number: ANN-04-13/LDC-12-13/CPA-10-13)

Three Properties Totaling .82-Acre

I. GENERAL INFORMATION

PROPOSAL:

The City seeks approval of the annexation of three properties, with a cumulative area of approximately .82-acre, and the legislative amending of the City’s Comprehensive Plan Map/Zoning Map to convert the existing Clackamas County Comprehensive Plan designations/zoning districts for the subject properties to equivalent Happy Valley plan designations/zoning districts, as set forth in Section 16.67.070 of the City’s Land Development Code (LDC). Staff has determined that the proposed annexation/zoning conversion complies with the applicable requirements of the Statewide Planning Goals, Oregon Revised Statutes (ORS), Metro Code, and the City’s Comprehensive Plan and LDC. Therefore, staff recommends the City Council APPROVE the proposed annexation subject to the findings and conclusions in this report.

APPLICANT:

City of Happy Valley
16000 SE Misty Drive
Happy Valley, OR 97086

PROPERTY OWNERS:

See Attached List – Exhibit B

EXHIBITS:

Exhibit A - Annexation Area Map
Exhibit B - Property Data/Owner List
Exhibit C - Annexation Petitions
APPLICABLE CRITERIA:

Applicable Statewide Planning Goals; ORS 222.111 and 222.125; Metro Code 3.09.045; and applicable policies and sections of the City of Happy Valley Comprehensive Plan and Municipal Code, Title 16 (Land Development Code) - including Section 16.67.070 (Annexations).

BACKGROUND:

The City of Happy Valley makes available petitions for annexation to area property owners and received signed petitions requesting annexation from the owners of the subject properties.

GENERAL DISCUSSION:

The proposed annexation was initiated by petitions signed by the owners of 100 percent of the property owners that represent 100 percent of the assessed value, and that represent at least 50 percent of the electors within the area being annexed. The proposal meets the requirements of Metro Ordinance Number 98-791, Chapter 3.09.045, and ORS 222.125.

The properties proposed to be annexed are located in two areas that are adjacent to the existing city limits, as noted on Exhibit A. The legal descriptions for the areas proposed for annexation are included as exhibits to the two ordinances accompanying this file (Ordinance Numbers 441 and 442) and the annexation application data forms for the areas to be annexed are attached as Exhibit B.

The proposed annexation incorporates three properties consisting of .82-acre located adjacent (which includes “reachable” by annexation via public right-of-way) to the existing boundary of the City of Happy Valley.

This staff report outlines the subject properties as to their specific configuration, existing land use, population, assessed value and other criteria for approval of boundary changes. See attached Exhibits A, B and C.

The proposed annexation boundaries have been drawn up to include only the properties represented by the property owners or their representatives who signed the annexation petitions and applicable public right-of-way.

One of the properties proposed for annexation (14348 SE 132nd Avenue) is a Lot of Record that currently has a Clackamas County Comprehensive Plan designation of “Low Density Residential” and a land use zone of “Future Urban - 10-Acre Minimum” and is currently the location of a single-family detached residence. With the approval of this proposed annexation, 14348 SE 132nd Avenue will receive a City plan designation/zone of “Future Urbanization” (FU-10). It should be noted that if the proposed annexation is approved, the property owner of 14348 SE 132nd Avenue intends to apply for a Comprehensive Plan Map/Zoning Map Amendment to change the “Future Urbanization” designation/zone to a designation/zone of “Low Density Residential” (R-7).
The two remaining properties proposed for annexation (Tax Lots 700 and 800) are located at the northeast corner of the intersection of SE Sunnyside Road and SE 122nd Avenue. These properties currently have a Clackamas County plan designation/zone of “Low Density Residential” (R-8.5), which would convert to a City plan designation/zone of “Low Density Residential” (R-8.5) with the approval of this annexation proposal. Both properties are currently vacant and have been purchased by the City of Happy Valley. Tax Lot 700 is the planned location of a “Welcome to Happy Valley” monument sign that will act as “gateway” into the City. Subsequent to this annexation, the City has proposed a Comprehensive Plan Map/Zoning Map Amendment that will change the existing designation/zone of Tax Lot 700 to “Institutional and Public Use” (IPU). The City will maintain Tax Lot 800 and has no plans to improve or utilize the property as anything other than its current use.

This proposed annexation complies with the present agreements the City has with various urban service providers. All of the subject properties are currently located within Clackamas County Service District #1 (CCSD #1), which provides sanitary sewer and stormwater management services to the City and other urbanized areas of Clackamas County. Also, the three subject properties are provided water service by Sunrise Water Authority (SWA), one of the City’s service providers of potable water. SWA will continue to provide water services to these properties subsequent to the approval of this annexation. Also subsequent to the approval of this annexation, the owners of the subject properties will continue to be provided street lighting services by Clackamas County Service District #5 (CCSD #5). The subject properties are also currently within the North Clackamas Parks and Recreation District (NCPRD) and would continue to be with the approval of this annexation proposal. The subject properties will need to be removed from the Clackamas County Enhanced Law Enforcement District and will be provided law enforcement services by the Happy Valley Police Department. Also, the subject properties are within Clackamas Fire District #1 (CFD #1). CFD #1 provides the subject properties with fire protection and will continue to provide this service following the approval of this annexation.

The Metro Regional Framework Plan contains standards and criteria guiding the management and expansion of the Urban Growth Boundary (UGB), but most are not directly applicable to this annexation application. The Framework Plan does address the issues of annexation of properties to cities as appropriate to ensure adequate government jurisdiction and public facilities review and approvals.

The Metro Urban Growth Management Functional Plan (UGMFP) contains population and household growth figures for each jurisdiction in the region, including the City of Happy Valley. These figures should be accommodated over the next 20 years. The approval of this annexation request may work to provide additional housing opportunities to current and future residents of the City as specified in the functional plan.
II. FINDINGS OF FACT

STATEWIDE PLANNING GOALS (DLCD)

"Goal 1: Citizen Involvement (660-015-0000(1))
Goal 1 specifies that each city adopt a program for citizen involvement that clearly defines the procedures by which the general public will be involved in the ongoing land-use planning process. This program shall provide for continuity of citizen participation and of information that enables citizens to identify and comprehend the issues.

Response:

The City of Happy Valley provided notice to all interested parties, necessary parties, and landowners within 300 feet of the subject properties. The notice stated that the process would be expedited. This criterion has been satisfied.

"Goal 2: Land Use Planning (660-015-0000(2))
Goal 2 specifies the need to establish a land use planning process and policy framework as a basis for all decision and actions related to use of land and to assure an adequate factual base for such decisions and actions.

Response:

The City’s LDC establishes provisions for the expedited annexation process and county to city zoning conversion. This staff report and findings demonstrate compliance with applicable policies and regulations of all local, regional and state regulations. This criterion has been satisfied.

"Goal 11: Public Facilities and Services (660-015-0000(11))
Goal 11 calls for efficient planning of public services such as sewers, water, law enforcement, and fire protection. The goal’s central concept is that the public services should be planned in accordance with a community’s needs and capacities rather than be forced to respond to development as it occurs.

Response:

Metro Code (3.09.045.d) requires that boundary change proposals meet minimum criteria that include addressing the capacity for urban services. Boundary changes must be consistent with ORS 195.065 and regional and statewide land use goals, including Goal 11.

Clackamas County has provided the comprehensive planning for public services in the area of the subject properties. Prior to the installation of infrastructure related to public services such as sanitary sewer, stormwater management, potable water, and transportation systems Clackamas County and their service providers provided analysis as to how the subject properties (along with other adjacent properties) would best be served by public services.
If the proposed annexation is approved, the subject properties will continue to be provided public services by many of the same agencies that currently serve the annexation area. The subject properties will continue to be provided sanitary sewer and stormwater management services by CCSD #1. Fire protection will continue to be provided to the subject properties by CFD #1. Also, CCSD #5 will continue to administer street lighting to the subject properties.

The subject properties are provided water service by SWA, one of the City’s service providers of potable water. SWA will continue to provide water services to these properties subsequent to the approval of this annexation. Therefore, this criterion is satisfied.

**Goal 12: Transportation ((660-015-0000(12))**

Goal 12 calls for the provision of “a safe, convenient and economic transportation system.” It asks for communities to address the needs of the “transportation disadvantaged.”

Response:

The Happy Valley Transportation System Plan (TSP) has been updated to include the areas proposed for annexation. The TSP was adopted in December 1998; and amended in 2001, 2006, 2009 and 2010. The TSP includes an inventory of the existing transportation system, addresses current problem areas, and evaluates future needs for both motorized and non-motorized transportation options. The TSP is consistent with the Transportation Planning Rule (TPR), the Metro Regional Transportation Plan (RTP), the Clackamas County Comprehensive Plan and Pedestrian and Bicycle Master Plan, and the Oregon Department of Transportation Oregon Transportation Plan (OTP). This criterion has been satisfied.

**Goal 14: Urbanization ((660-015-0000(14))**

Goal 14 requires cities to estimate future growth and needs for land and then plan and zone enough land to meet those needs. It calls for each city to establish an “urban growth boundary” (UGB) to “identify and separate urbanizable land from rural land.” It specifies seven factors that must be considered in drawing up a UGB. It also lists four criteria to be applied when undeveloped land within a UGB is to be converted to urban uses."

Response:

The Happy Valley Comprehensive Plan (1984) and East Happy Valley Comprehensive Plan Update (2009) established a UGB based on the seven criteria outlined in Goal 14. UGB expansions are also regulated regionally through the Metro Regional Framework Plan and UGMFP. The Regional Framework Plan stipulates that cities plan for growth and utilize available land in a manner that is consistent with the regional goals contained in the plan. Through the legislative process, the City is proposing to apply city zoning designations to the subject properties that are equivalent to the existing Clackamas County zoning designation, to be consistent with the existing Clackamas County Comprehensive Plan. The Clackamas County Comprehensive Plan was established in compliance with Goal 14. Therefore, this criterion is satisfied.
Oregon Revised Statutes (ORS)

"ORS 222.111 - [...] (2) A proposal for annexation of territory to a city may be initiated by the legislative body of the city, on its own motion, or by a petition to the legislative body of the city by owners of real property in the territory to be annexed.

Response:

This annexation was the result of petitions filed by the property owners or their representatives who own properties that are contiguous to the City Limits of Happy Valley. The criterion has been satisfied.

ORS 222.125 - Annexation by consent of all owners of land and majority of electors; proclamation of annexation. The legislative body of a city need not call or hold an election in the city or in any contiguous territory proposed to be annexed or hold the hearing otherwise required under ORS 222.120 when all of the owners of land in that territory and not less than 50 percent of the electors, if any, residing in the territory consent in writing to the annexation of the land in the territory and file a statement of their consent with the legislative body. Upon receiving written consent to annexation by owners and electors under this section, the legislative body of the city, by resolution or ordinance, may set the final boundaries of the area to be annexed by a legal description and proclaim the annexation."

Response:

The application was initiated by petitions from owners of 100 percent of the land in the territory to be annexed and 50 percent of the electors in the territory to be annexed. The criterion has been satisfied.

REGIONAL LAND USE REQUIREMENT

"Metro Code 3.09.045 – Expedited Decisions

(a) The governing body of a city or Metro may use the process set forth in this section for minor boundary changes for which the petition is accompanied by the written consents of one hundred percent of property owners and at least fifty percent of the electors, if any, within the affected territory. No public hearing is required.

Response:

The City of Happy Valley established an expedited decision process through the adoption of Resolution Number 05-13. The City has received written consent in the form of petitions from 100 percent of the property owners and 50 percent the electors within the affected territory. The criterion has been satisfied.

(b) The expedited process must provide for a minimum of 20 days' notice prior to the date set for decision to all necessary parties and other persons entitled to notice by the laws of the city or Metro. The notice shall state that the petition is subject to the expedited process unless a necessary party gives written notice of its objection to the boundary change.
Response:

The City of Happy Valley provided notice to all interested parties, necessary parties and land owners within 300 feet of the subject properties. The notice stated that the process would be expedited. This criterion has been satisfied.

(c) At least seven days prior to the date of decision the city or Metro shall make available to the public a report that includes the following information:

(1) The extent to which urban services are available to serve the affected territory, including any extra-territorial extensions of service;
(2) Whether the proposed boundary change will result in the withdrawal of the affected territory from the legal boundary of any necessary party; and
(3) The proposed effective date of the boundary change.

Response:

A brief report, addressing the applicable criteria in Section 3.09.045 was available to the public on Monday, September 9, 2013, this criterion has been satisfied.

(d) To approve a boundary change through an expedited process, the city shall:

(1) Find that the change is consistent with expressly applicable provisions in:
(A) Any applicable urban service agreement adopted pursuant to ORS 195.065;

Response:

The proposed annexation is consistent with ORS 195.065. As stated above, the subject properties would generally remain within service districts already serving the annexation areas. All of the subject properties are currently located within CCSD #1, which provides sanitary sewer and stormwater management services to the City and other urbanized areas of Clackamas County. The subject properties are provided water service by SWA, one of the City’s service providers of potable water. SWA will continue to provide water services to these properties subsequent to the approval of this annexation. The subject properties are also currently within the NCPRD and would continue to be with the approval of this annexation proposal. The subject properties will need to be removed from the Clackamas County Enhanced Law Enforcement District and will be provided law enforcement services by the Happy Valley Police Department. Also, the subject properties are within CFD #1. CFD #1 provides the subject properties with fire protection and will continue to provide this service following the approval of this annexation. This criterion has been satisfied.

(B) Any applicable annexation plan adopted pursuant to ORS 195.205;

Response:

*Annexation of these zoning districts would require the creation of a new Comprehensive Plan designation/zoning district within the City that would be determined by the Planning Official based on surrounding Comprehensive Plan designations/zoning districts and a Transportation Planning Rule-compliant Traffic Impact Analysis.

B. When an unincorporated property within the East Happy Valley Comprehensive Plan area, Aldridge Road Comprehensive Plan area, or the Rock Creek Mixed Employment Comprehensive Plan area is annexed to the City, the property shall be rezoned to the applicable zoning designation in the Comprehensive Plan pursuant to the applicable requirements of the Land Development Code.
C. For any proposed annexation to the City, application shall be made directly to the City of Happy Valley on the appropriate forms and accompanied with the required fee. Upon receipt of a copy of the form, the City shall schedule a public hearing before the Planning Commission, which shall make a recommendation to the City Council. The City may utilize any lawful annexation process under state, regional or local law, including the expedited annexation process established in the Metro Code. An expedited annexation process shall be sent directly to the City Council for review. Expedited annexations shall be processed as an ordinance pursuant to the City of Happy Valley Charter.

D. For any proposed deannexation from the City, application shall be made directly to the City of Happy Valley on the appropriate forms and accompanied with the required fee. Upon receipt of a copy of the form the City shall schedule a public hearing before the Planning Commission, which shall make a recommendation to the City Council.”

Response:

Pursuant to Subsection “B” above, the properties associated with this annexation proposal will receive an equivalent city zoning designation per the city’s “conversion matrix”. As a result, if the proposed annexation is approved, two ordinances (Ordinance Numbers 441 and 442) to amend the City’s Comprehensive Plan Map/Zoning Map will be passed which would reflect the zoning conversion of the subject properties from their current Clackamas County designations/zones to City of Happy Valley designations/zones. These criteria have been satisfied.

III. CONCLUSION AND RECOMMENDATION:

Staff has determined that the above findings demonstrate that the proposed annexation and zoning conversion of the subject properties satisfy the requirements of the Statewide Planning Goals, ORS, Metro Code 3.09, and City of Happy Valley Comprehensive Plan and LDC. Staff, therefore, recommends that the City Council approve application ANN-04-13/LDC-12-13/CPA-10-13.
