ORDINANCE NO.

An Ordinance amending certain portions of Ordinance No. 4796 related to the adoption of the McMinnville Growth Management and Urbanization Plan (MGMUP) and MGMUP – Findings document, and repealing Ordinance No. 4841 in its entirety.

RECITALS:

On October 14, 2003, the McMinnville City Council adopted the “McMinnville Growth Management and Urbanization Plan” (MGMUP) and appendices, and the MGMUP – Findings document (ORD No. 4796) as part of the McMinnville Comprehensive Plan, Volume I. These documents were prepared in response to an analysis of the city’s buildable lands and future land needs, which determined that there exists a shortfall of both residential and commercial land necessary to accommodate projected growth needs through the year 2023.

Following a series of subsequent appeals and remands, the Oregon Land Conservation and Development Commission (LCDC) issued an Order approving the MGMUP on November 8, 2006.

On December 22, 2006, this action was appealed by 1000 Friends of Oregon, Friends of Yamhill County and Ilisa Perse to the Oregon Court of Appeals.

Following attempts at reaching a negotiated settlement with the appellants that proved unsuccessful, DLCD drafted amendments to the Commission’s 2006 approval order to address interpretations of law. The Commission approved the revised Order in November, 2008.

After multiple time extensions were granted, the appellants filed their opening brief with the Oregon Court of Appeals in October, 2009. Oral arguments were presented to the Court in September, 2010.

On July 13, 2011, the Court issued its decision to reverse and remand LCDC’s approval of portions of MGMUP. This decision became effective on January, 13, 2012. On February, 28, 2012, LCDC issued an order reversing and remanding its prior decision to the City consistent with the court’s final opinion and order.

The City Council has determined that the prudent course of action at this time is to delay further work necessary to satisfy the LCDC Order, and to remove from the adopted MGMUP those elements that are no longer relevant.

A public hearing before the McMinnville City Council for the purpose of taking testimony to consider these proposed amendments was conducted on November 27, 2012, after notice of the meeting had been published in the News Register on November 16, 2012. At the conclusion of this hearing, the City Council held the record open and directed staff to provide a written response to comments offered during public testimony for review at the December 11, 2012, Council meeting.

At the December 11, 2012, meeting Council reviewed staff’s response and received and considered additional public testimony. Following thorough deliberation, the Council found the amendments proposed by staff appropriate and consistent with the referenced LCDC Order and directed staff to prepare an amended ordinance for their consideration and adoption.
Now therefore, THE CITY OF McMINNVILLE ORDAINS AS FOLLOWS:

Section 1. That the following comprehensive plan policies shall be amended to remove NAC references and to reinstate the previous policy language:

(a) Policy 27.00, 66.00, 84.00, 86.00, 132.15, and 186.00

Section 2. That the policies and single goal below shall be modified as follows [new text is underlined; text to be deleted is indicated with a strikeout font]:

(a) Policy 45.00 The City of McMinvillle shall study the feasibility of developing bicycle and pedestrian paths and/or lanes between residential areas and the activity centers in the downtown. designated Neighborhood Activity Centers and between residential areas and Downtown McMinvillle.

(b) Policy 71.01 The City shall plan for development of the property located on the west side of the City that is outside of designated Neighborhood Activity Centers or planned or existing transit corridors (1/4 mile 500 feet either side of the route) to be limited to a density of six units per acre. It is recognized that it is an objective of the City to disperse multiple family units throughout the community. In order to provide for higher density housing on the west side, sewer density allowances or trade-offs shall be allowed and encouraged.

(c) Applications for multiple-family zone changes will be considered in relation to the above factors, e.g., sewer line capacity and dispersal of units. In addition, requests for zone changes to multiple-family shall consider those factors set forth in Section 17.72.035 (zone change criteria) of the zoning ordinance. (as amended by Ord. 4218, Nov. 23, 1985) and the locational policies contained in Volume 1 of the McMinvillle Comprehensive Plan:

GOAL IV 3: TO ENSURE COMMERCIAL DEVELOPMENT THAT MAXIMIZES EFFICIENCY OF LAND USE THROUGH UTILIZATION OF EXISTING COMMERCIALLY DESIGNATED LANDS, THROUGH APPROPRIATELY LOCATING FUTURE NEIGHBORHOOD AND COMMUNITY SERVING COMMERCIAL LANDS, AND DISCOURAGING STRIP DEVELOPMENT.

Section 3. That the following elements of the MGMUP be repealed in their entirety:

(a) MGMUP pages, i = 7-30, C-1 - C-217, and D-18 - D-24
(b) MGMUP policies: 28.01(page D-2), 71.11 (page D-9), 71.12 (page D-10), and 170.06 (page D-15)

(d) MGMUP Findings document pages 1-169

Section 4. That the following amendments to Policy 49.01 regarding industrial land (denoted by underlined text for addition and strikeout text for deletion):
• 49.01 The City shall designate an adequate supply of suitable sites to meet identified needs for a variety of different parcel sizes at locations which have direct access to an arterial or collector street without having to pass through residential neighborhoods.

• 49.02 The location, type, and amount of industrial activity within the Urban Growth Boundary shall be based on community needs as identified in the Economic Opportunities Analysis.

Section 6. That Ordinance No. 4841 be repealed in its entirety.

Section 7. That the current McMinnville comprehensive plan map be supplanted with the comprehensive plan map attached to this ordinance as Exhibit 1.

Section 8. That this ordinance shall be subject to the terms and conditions of Ordinance No. 3823 entitled “Initiative and Referendum” for a period of thirty (30) days.

Passed by the Council this 8th day of January 2013, by the following votes:
