ORDINANCE NO 6293

AN ORDINANCE APPROVING THE ANNEXATION OF CERTAIN TERRITORY TO THE CITY OF SPRINGFIELD AND WILLAMALANE PARK AND RECREATION DISTRICT; AND WITHDRAWING THE SAME TERRITORY FROM THE GLENWOOD WATER DISTRICT

THE COMMON COUNCIL OF THE CITY OF SPRINGFIELD FINDS THAT:

WHEREAS, the City Council is authorized by Springfield Development Code (SDC) Article 5.7-100 and ORS Chapter 222 to accept, process, and act on annexations to the City; and

WHEREAS, a request to annex certain territory was submitted on February 27, 2013, said territory being Assessor’s Map Township 17 South, Range 03 West, Section 34, Map 33, Tax Lot 700, which is municipally addressed as 3005 and 3007 Franklin Boulevard and is generally depicted and more particularly described in Exhibit A to this Ordinance; and

WHEREAS, in accordance with SDC 5.7-125.A and ORS 222.111, the property owner initiated the annexation action by submittal of the required application forms and petition for annexation attached hereto as Exhibit B to this Ordinance; and

WHEREAS, this annexation has been initiated in accordance with SDC 5.7-125.A and ORS 222 and has been set for public hearing; and,

WHEREAS, the territory requested to be annexed is within the City’s urban growth boundary and is contiguous to the City limits [SDC 5.7-140.A], and the annexation is consistent with the “Urban Transition and Annexation” section of the adopted Glenwood Refinement Plan; and,

WHEREAS, the minimum level of key urban facilities and services can be provided in an orderly and efficient manner as outlined in the adopted Glenwood Refinement Plan, and there is a logical area and time within which to deliver urban services and facilities [SDC 5.7-140.C]; and,

WHEREAS, a Staff Report (Exhibit C) was presented to the City Council with the Development & Public Works Director’s recommendation to concurrently annex the subject territory to the Willamalane Park and Recreation District, as this Special District is a service provider for the City [SDC 5.7-140.B]; and is consistent with the intergovernmental agreement between Lane County and Springfield regarding boundary changes dated May 21, 2008; and,

WHEREAS, a Staff Report was presented to the City Council with the Director’s recommendation to concurrently withdraw the annexation territory from the Glenwood Water District, as the City of Springfield acting by and through the Springfield Utility Board would provide water utility service directly to the area after it was annexed to the City [SDC 5.7-160.B]; and,

WHEREAS, on May 6, 2013, the Springfield Common Council conducted a public hearing and is now ready to take action on this request for annexation based on the recommendation and findings in support of approving the annexation request, and the Glenwood Water District’s withdrawal as set forth in the aforementioned Staff Report to the Council, incorporated herein by reference, and the evidence and testimony presented at this public hearing held in the matter of adopting this Ordinance.

NOW THEREFORE, THE CITY OF SPRINGFIELD ORDAINS AS FOLLOWS:

SECTION 1: The Common Council of the City of Springfield does hereby approve annexation of the following described territory to the City of Springfield and Willamalane Park and Recreation District, said territory being more particularly described in Exhibit A to this Ordinance.
SECTION 2: The City Manager or the Development and Public Works Director shall send copies of this Ordinance to affected State and local agencies as required by SDC 5.7-155.

SECTION 3: This Ordinance shall become effective 30 days from the date of its passage by the City Council and approval by the Mayor, or upon the date of its filing with the Secretary of State as provided by ORS 222.180, whichever date is later.

ADOPTED by the Common Council of the City of Springfield this 20th day of May, 2013, by a vote of 6 for and 0 against.

APPROVED by the Mayor of the City of Springfield this 20th day of May, 2013.

(541) 342-4804
Current Zoning: Office Mixed Use
Metro Plan Designation: Commercial with Mixed Use Overlay
Refinement Plan: Glenwood Refinement Plan
Request: Annexation to City of Springfield

II. Land Use Request
In accordance with the Annexation submittal requirements, this written narrative describes the proposed annexation and demonstrates that the proposal complies with the criteria contained in SDC 5.7-100. This proposed annexation is for approximately 1.33 acres of property to the City of Springfield. This application is initiated by the owner of land subject to the annexation.

The annexation area is composed of one (1) property on the south side of Franklin Blvd located in the area west of Glenwood Blvd. The subject lot is within the urban growth boundary and is contiguous to the city limits. As demonstrated herein the subject lot is capable of being served by the orderly extension of key urban services or is currently being served.

Date Received: FEB 27 2013
Original Submittal
III. The Site and Existing Conditions
A. Tax Lot
   This proposal applies to Tax Lots 00700 on Lane County Assessor’s Map 17-04-34-33.

   Lot 00700 is developed as single family housing with two dwellings. Dwelling 1 is a 3,180 structure and Dwelling 2 is 294 square feet. It is currently zoned Office Mixed Use.

B. Location and Site Context
   This parcel, roughly 1.33 acres in area, is located on the southern side of Franklin Blvd. The site abuts vacant land owned by the City of Springfield to both the east and west and the Lane County Waste Management and Transfer Station to the south.

IV. Criteria
   The following is the section of the Springfield Development code that applies to the annexation of the above mentioned property. For clarity the code section is in plain text and responses are in italics.

SDC 5.7-140 An annexation application may be approved only if the City Council finds that the proposal conforms to the following criteria:
A. The affected territory proposed to be annexed is within the City’s portions of the urban growth boundary and contiguous to the city limits or separated from the City limits only by a public right-of-way or a stream, lake, or other body of water.

   Response: The affected territory is located within the city’s portion of the urban growth boundary and is contiguous to the city limits via Tax Map/Lot 17-03-34-44 / 00300 located to the south, Tax Map/Lot 17-03-34-44 / 00100 to the west and Tax Map/Lot 17-03-34-33 / 00500 to the east.

B. The proposed annexation is consistent with applicable polices in the Metro Plan and in any applicable refinement plan or Plan Districts.

   Response: The planned use of a hotel for the proposed annexation site is consistent with The Metro Plan designation of Commercial with a Mixed-Use Overlay. The Glenwood Refinement Plan designation is for Office Mixed Use. The Refinement plan offers flexibility of uses that are compatible with office development including commercial hospitality services therefore the planned use is consistent with the Refinement Plan. Applicable policies of the Metro Plan are listed below.

Metro Plan
C. Growth Management, Goals, Findings and Policies:
   Policy B. Land within the UGB may be converted from urbanizable to urban only through annexation to a city when it is found that:
      a. A minimum level of key urban facilities and services can be provided to the area in an orderly and efficient manner.
      b. There will be a logical area and time within which to deliver urban services and facilities. Conversion of urbanizable land to urban shall also be consistent with the Metro Plan.

Date Received:
FEB 27 2013
2/15/2013
Response: As discussed under SDC 5.7-125(B)(12) the subject lots can be provided with a minimum level of key urban facilities and services. As such this policy is met.

Policy 10. Annexation to a city through normal processes shall continue to be the highest priority.

Response: This application for annexation is made per the criteria starting at SDC 5.7-100 Annexations; as such this policy is met.

Policy 16. Ultimately, land within the UGB shall be annexed to a city and provided with the required minimum level of urban facilities and services. While the time frame for annexation may vary, annexation should occur as land transitions from urbanizable to urban.

Response: The subject lots are adjacent to urban land and urbanizable land, the addition of this land within the City limits provides more opportunities for urban development in support of this policy.

Policy 17. Eugene and Springfield and their respective utility branches, Eugene Water & Electric Board (EWEB) and Springfield Utility Board (SUB), shall be the water and electrical service providers within the UGB.

Response: The proposed annexation area is currently provided water and electrical service from EWEB. Nothing in this application shall change this condition; as such the proposal satisfies this policy.

Policy 21. When unincorporated territory within the UGB is provided with any new urban service, that service shall be provided by the following method (in priority order).

a. annexation to a city;...

Response: This annexation application satisfies policy 21(a); as such, with approval of this application, this policy is satisfied.

C. The proposed annexation will result in a boundary in which the minimum level of key urban facilities and services as defined in the Metro Plan can be provided in an orderly efficient and timely manner; and

Response: The annexation site can be provided with key urban facilities and services as defined in the Metro Plan. Key urban facilities are listed below:

Waste Water
City Staff indicated at the Development Issues Meeting that Sanitary could be treated by connecting into the existing manhole located at the southeast corner of Tax Map/Lot 17-03-34-33 / 00500. City Staff indicated that an easement on Tax Lot 00500 could be provided to accommodate the connection.

Stormwater
Stormwater will be treated on site through the use of vegetated swales. The size, shape and location of treatment facilities will be determined at Site Plan Review.

Transportation
Lane Transit District services Franklin Blvd with stops located nearby the intersection of Franklin Blvd and Glenwood Blvd.

Date Received: FEB 27 2013
Solid Waste Management
Solid waste collection is provided by private firms. Regional disposal sites and the Short Mountain Landfill are operated by Lane County.

Water and Electric Service
Eugene Water and Electric Board

Fire and Emergency Medical Services
Glenwood Water District provides fire protection while the Springfield Dept of Fire and Life Safety provides ambulance services.

Police Protection
Police protection can be provided to this site upon annexation consistent with service provision throughout the city. Springfield Police currently travel along Franklin Blvd to provide service to surrounding areas that are incorporated into the city of Springfield. Infill annexations and development in this area will increase the efficiency of services delivery to this area.

City Wide Parks and Recreation Programs
The site is included within the Willamalane Park and Recreation District. Recently approved Bond Measure 20-199 will provided $20 million in bond funds which will be used to help fund future City park acquisition and development throughout the city as well as improving and renovating existing parks and trails.

Land Use Controls
Planning and building permit services are provided to the area outside the city limits but within the urban growth boundary by the City of Springfield. This service would continue after annexation.

Communication Facilities
US West Communications and a variety of other telecommunications providers offer communication services throughout the Eugene/Springfield Area.

Public Schools
Eugene School District

The above key urban facilities and services meet the minimum level as defined in the Metro Plan and can be provided in an orderly, efficient, and timely manner, thereby, satisfying SDC 5.7-125(B)(14).

D. Where applicable fiscal impacts to the City have been mitigated through a signed Annexation Agreement or other mechanism approved by the City Council.

Planning and Public Works Staff have indicated that all services are available and an Annexation Agreement is not needed.
