NOTICE OF ADOPTED AMENDMENT

09/19/2013

TO: Subscribers to Notice of Adopted Plan or Land Use Regulation Amendments

FROM: Plan Amendment Program Specialist

SUBJECT: City of Springfield Plan Amendment DLCD File Number 005-13

The Department of Land Conservation and Development (DLCD) received the attached notice of adoption. A Copy of the adopted plan amendment is available for review at the DLCD office in Salem and the local government office.

Appeal Procedures*

DLCD ACKNOWLEDGMENT or DEADLINE TO APPEAL: Wednesday, October 02, 2013

This amendment was submitted to DLCD for review prior to adoption with less than the required 35-day notice. Pursuant to ORS 197.830(2)(b) only persons who participated in the local government proceedings leading to adoption of the amendment are eligible to appeal this decision to the Land Use Board of Appeals (LUBA).

If you wish to appeal, you must file a notice of intent to appeal with the Land Use Board of Appeals (LUBA) no later than 21 days from the date the decision was mailed to you by the local government. If you have questions, check with the local government to determine the appeal deadline. Copies of the notice of intent to appeal must be served upon the local government and others who received written notice of the final decision from the local government. The notice of intent to appeal must be served and filed in the form and manner prescribed by LUBA, (OAR Chapter 661, Division 10). Please call LUBA at 503-373-1265, if you have questions about appeal procedures.

*NOTE: The Acknowledgment or Appeal Deadline is based upon the date the decision was mailed by local government. A decision may have been mailed to you on a different date than it was mailed to DLCD. As a result, your appeal deadline may be earlier than the above date specified. NO LUBA Notification to the jurisdiction of an appeal by the deadline, this Plan Amendment is acknowledged.

Updated December 6, 2012
AN ORDINANCE APPROVING THE ANNEXATION OF CERTAIN TERRITORY TO THE CITY OF SPRINGFIELD AND WILLAMALANE PARK AND RECREATION DISTRICT; AND WITHDRAWING THE SAME TERRITORY FROM THE WILLAKENZIE RURAL FIRE PROTECTION DISTRICT AND DECLARING AN EMERGENCY

THE COMMON COUNCIL OF THE CITY OF SPRINGFIELD FINDS THAT:

WHEREAS, the City Council is authorized by Springfield Development Code (SDC) Article 5.7-100 and ORS Chapter 222 to accept, process, and act on annexations to the City; and

WHEREAS, a request to annex certain territory was submitted on May 29, 2013, said territory being Assessor's Map Township 18 South, Range 02 West, Section 04, Map 14, Tax Lot 100, which is municipally addressed as 827 South 57th Street and is generally depicted and more particularly described in Exhibit A to this Ordinance; and

WHEREAS, in accordance with SDC 5.7-125.A and ORS 222.111, the property owner initiated the annexation action by submittal of the required application forms and petition for annexation attached hereto as Exhibit B to this Ordinance; and

WHEREAS, this annexation has been initiated in accordance with SDC 5.7-125.A and ORS 222 and has been set for public hearing; and,

WHEREAS, the territory requested to be annexed is within the City’s urban growth boundary and is contiguous to the City limits [SDC 5.7-140.A]; and,

WHEREAS, the minimum level of key urban facilities and services can be provided in an orderly and efficient manner as outlined in the Metro Plan, and there is a logical area and time within which to deliver urban services and facilities [SDC 5.7-140.C]; and,

WHEREAS, a Staff Report (Exhibit C) was presented to the City Council with the Development & Public Works Director’s recommendation to concurrently annex the subject territory to the Willamalane Park and Recreation District, as this Special District is a service provider for the City [SDC 5.7-140.B]; and is consistent with the intergovernmental agreement between Lane County and Springfield regarding boundary changes dated May 21, 2008; and,

WHEREAS, a Staff Report was presented to the City Council with the Director’s recommendation to concurrently withdraw the annexation territory from the Willakenzie Rural Fire Protection District, as the City of Springfield would provide Fire and Life Safety services directly to the area after it was annexed to the City [SDC 5.7-160.A]; and,

WHEREAS, the Common Council of the City of Springfield has determined that the provision of City services to the subject area are necessary immediately for the health and safety of the public because the septic system on the property has failed; and,

WHEREAS, without an Emergency Clause the effective date of annexation is delayed until 30 days following the second reading and adoption of the enacting Ordinance by the Common Council, which is on or around October 22, 2013; and,

WHEREAS, on July 22, 2013, the Springfield Common Council conducted a public hearing and is now ready to take action on this request for annexation based on the recommendation and findings in support of approving the annexation request, and the Willakenzie Rural Fire Protection District’s withdrawal as set forth in...
the aforementioned Staff Report to the Council, incorporated herein by reference, and the evidence and testimony presented at this public hearing held in the matter of adopting this Ordinance.

NOW THEREFORE, THE CITY OF SPRINGFIELD ORDAINS AS FOLLOWS:

SECTION 1: The Common Council of the City of Springfield does hereby approve annexation of the following described territory to the City of Springfield and Willamalane Park and Recreation District, said territory being Assessor’s Map Township 18 South, Range 02 West, Section 04, Map 14, Tax Lot 100, which is municipally addressed as 827 South 57th Street, and is more particularly described in Exhibit A to this Ordinance.

SECTION 2: The withdrawal of territory described in Section 1 above from the Willakenzie Rural Fire Protection District shall become effective July 1, 2014.

SECTION 3: It is hereby found and determined that matters relating to the provision of City services are matters affecting the public health, safety, and welfare and that an emergency therefore exists and this Ordinance shall take effect immediately upon adoption by the Council and approval of the Mayor.

SECTION 4: The City Manager or the Development and Public Works Director shall send copies of this Ordinance to affected State and local agencies as required by SDC 5.7-155.

ADOPTED by the Common Council of the City of Springfield this 22nd day of July, 2013, by a vote of 6 for and 0 against.

APPROVED by the Mayor of the City of Springfield this 22nd day of July, 2013.

</table>
Review Process (SDC 5.7-115): The subject annexation request is being reviewed under Type IV procedures without Planning Commission consideration.

Development Issues Meeting (SDC 5.7-120): A Development Issues Meeting (DIM) is required of all third-party annexation applications.

Finding: Staff conducted an informal Development Issues Meeting for the subject annexation request at no cost and on an expedited time line at the Development & Public Works office on May 9, 2013. Because the subject request to annex is to address a potential public health hazard and the necessary services are available along the property frontage, the applicant was advised to proceed directly to the Annexation application pre-submittal step.

Conclusion: The requirement in SDC 5.7-120 is met.

Annexation Initiation and Application Submittal (SDC 5.7-125): In accordance with SDC 5.7-125.B.2.b.i and ORS 222.170(1), an annexation application may be initiated by "more than half the owners of land in the territory, who also own more than half the land in the contiguous territory and of real property therein representing more than half the assessed value of all real property in the contiguous territory in writing to the annexation of their land".

Finding: The property owners who own all of the land and real property, and full assessed value of real property in the contiguous territory, have filed an application and petition requesting annexation to the City of Springfield (Attachment 4, Exhibit B).

Conclusion: The application requirements in SDC 5.7-125 have been met.

Site Information: The property requested for annexation is a 0.67 acre parcel on the east side of South 57th Street just south of Ridge Court. The subject site is inside the Springfield Urban Growth Boundary (UGB) and is currently developed with a single family dwelling. Annexation is requested to facilitate connection to City sewer service due to a failed septic system on the property.

Existing public services are provided to the annexation area as follows: police (Lane County Sheriff, Springfield Police Department), schools (Springfield School District 19), roads (Lane County and City of Springfield), water and electricity (Springfield Utility Board), and Fire (Cities of Eugene & Springfield and Willakenzie Rural Fire Protection District). Upon annexation, the City of Springfield will be responsible for urban services, including sewer, water, electricity and police/fire response to the subject area.

Notice Requirements (SDC 5.7-130): Consistent with SDC 5.7-130, notice was provided as follows:

Mailed Notice. Notice of the annexation application was mailed June 13, 2013, which is at least 14 days prior to the public hearing date, to the affected property owner(s); owners and occupants of properties located within 300 feet of the perimeter of the affected territory; affected neighborhood groups or community organizations officially recognized by the city that includes the affected territory; affected special districts and all other public utility providers; and the Lane County Land Management Division, Lane County Elections, and the Lane County Board of Commissioners.

Newspaper Notice. Notice of the July 1, 2013 public hearing date was published in The Register-Guard on June 17 and 24, 2013.

Posted Notice. Notice of the July 1, 2013 public hearing was posted in four public places in the City: at one location along the property frontage on South 57th Street; at Springfield City Hall and in the Development & Public Works office; and on the City of Springfield website, on or before June 18,
2013. Staff posted a notice of postponed hearing at the Council Chambers on July 1, 2013 advising that the hearing date was moved to July 22, 2013. No public input or written testimony has been received in the interim.

Finding: Upon annexation of the subject territory to the City the current Low Density Residential zoning will be retained, but the Urbanizable Fringe Overlay District (UF-10) will no longer apply. Due to this change, the Oregon Department of Land Conservation and Development (DLCD) was notified in writing of the annexation proceedings prior to the public hearing. Because of the urgency of the request, staff confirmed with DLCD that less than the full 35 days advance notice was acceptable for the proposed annexation action. DLCD notification was sent on June 7, 2013, which is 24 days prior to the initially scheduled hearing date.

Conclusion: Notice of the public hearing was provided consistent with SDC 5.7-130.

Recommendation to City Council (SDC 5.7-135): The Development & Public Works Director shall forward a written recommendation on the annexation application to the City Council based on the approval criteria specified in Section 5.7-140, which are provided as follows with the SDC requirements, findings, and conclusions. The Director's recommendation follows SDC 5.7-140, Criteria.

Criteria (SDC 5.7-140): The application may be approved only if the City Council finds that the proposal conforms to the following criteria:

A. The affected territory proposed to be annexed is within the City's urban growth boundary; and is
   1. Contiguous to the city limits; or
   2. Separated from the City only by a public right of way or a stream, lake or other body of water.

Finding: The subject annexation territory is located within the acknowledged urban growth boundary (UGB) of the City of Springfield as modified on the Metropolitan Area General Plan diagram (Metro Plan). The site is contiguous to the City limits on three sides. Therefore, this annexation application meets the statutory definition of contiguity as found in ORS 222.111(1).

Finding: Staff is recommending concurrently annexing a segment of South 57th Street right-of-way to eliminate irregular gaps in the City limits line. With the concurrent annexation of right-of-way, the subject site will be surrounded by territory lying within the City limits.

Conclusion: The proposal meets this criterion.

B. The proposed annexation is consistent with applicable policies in the Metro Plan and in any applicable refinement plans or Plan Districts;

Finding: The Metro Plan was acknowledged by the Land Conservation and Development Commission (LCDC) in August, 1982 and has been subsequently amended. The territory requested for annexation is located within the acknowledged UGB of the Metro Plan. Territory within the delineated UGB ultimately will be within the City of Springfield.

Finding: The territory requested for annexation is not located in an adopted Refinement Plan area and there are no proposed changes to the current zoning or plan designation.

Finding: The continued annexation of properties and public street rights-of-way to the City of Springfield is consistent with the Metro Plan, which will result in the elimination of special districts within the urbanizable area. The City's adopted comprehensive plans recognize that as annexations to the City occur, the special district service areas will diminish incrementally and eventually will be dissolved.
Finding: The territory requested for annexation is within the Willakenzie Rural Fire Protection District. The Fire District has a service arrangement with Eugene/Springfield Fire & Life Safety for provision of fire response to certain unincorporated areas of southeast Springfield. After the public hearing and if determined by the City Council that withdrawal is in the best interest of the City, the annexation area will be withdrawn from the Willakenzie Rural Fire Protection District consistent with ORS 222.510, 222.520, and 222.525 and Eugene/Springfield Fire & Life Safety will provide emergency response service directly to the annexation area.

Finding: After the public hearing and if determined by the City Council that annexation is in the best interest of the City, the annexation area will be annexed into the Willamalane Park and Recreation District as authorized by an intergovernmental agreement between the City of Springfield and Lane County. The park district provides park and recreation facilities and services to territory within the City of Springfield.

Conclusion: The proposal meets this criterion.

C. The proposed annexation will result in a boundary in which the minimum level of key urban facilities and services as defined in the Metro Plan can be provided in an orderly efficient and timely manner; and

Finding: The Metro Plan recognizes annexation as the highest priority for extending the minimum level of key urban facilities and services to urbanizable areas.

Finding: The territory requested for annexation will take advantage of urban service delivery systems that are already in place or can be logically extended to serve this area. In addition to urban utilities, the following facilities and services are either available or can be extended to this annexation area:

Water – The subject site is currently within the service area of the City by and through the Springfield Utility Board. Existing water infrastructure within the vicinity will be maintained by the affected utility providers.

Electricity – SUB Electric provides service to developed properties in portions of southeast Springfield that are north of the Mt. Vernon Road alignment, including the subject site. Existing electrical system infrastructure within the adjacent public rights-of-way will be maintained by the affected utility providers.

Police Services – The Springfield Police Department currently provides service to areas of southeast Springfield that are already inside the City. The subject territory is within the joint jurisdiction of Springfield Police Department and Lane County Sheriff’s Department. Upon annexation, this area will receive Springfield Police services on an equal basis with other properties inside the City.

Fire and Emergency Services – Fire protection is currently provided to the annexation area by Eugene/Springfield Fire Department under contract with the Willakenzie Rural Fire Protection District. Upon annexation, the City will continue to provide fire and emergency services to the subject territory.

Emergency medical transport (ambulance) services are provided on a regional basis by the Eugene/Springfield Fire Department, and Lane Rural Fire/Rescue to central Lane County. The annexation area will continue to receive this service consistent with the adopted ambulance service area (ASA) plan. Mutual aid agreements have been adopted by the three regional ASA providers to provide backup coverage for each other’s jurisdictions.

Parks and Recreation – Park and recreation services are provided to the City of Springfield by the Willamalane Park and Recreation District. The park district operates several indoor recreation facilities, such as the Willamalane Park Swim Center, Lively Park Swim Center, Memorial Building Community Center, and Willamalane Adult Activity Center. The park district offers various after-school and other programs for
children at schools and parks throughout the community. Also available are pathways and several categories of parks, including community parks, sports parks, special use parks, and natural area parks. Willamalane has recently started construction of a new neighborhood park on the east side of Bob Straub Parkway, just to the southeast of the subject property.

Concurrent with annexation to the City of Springfield, the subject area will be annexed to the Willamalane Park and Recreation District consistent with City policy, if the City Council determines that annexation to the special district is in the best interest of the City.

Library Services – Upon annexation to the City of Springfield, the subject area will be within the service area of the Springfield Public Library.

Schools – The Springfield School District serves this area of southeast Springfield, including both annexed and non-annexed properties. The School District has recently outlined plans for a future school building at a site on the east side of Bob Straub Parkway, just to the southeast of the subject property.

Sanitary Sewer – The annexation area can be served by connection to an existing sanitary sewer lateral along the property frontage. A public sanitary sewer line runs within South 57th Street, and no extension or upgrade to the public system is required with this annexation request. The applicant has depicted the sanitary sewer connection point on a utility servicing plan (Attachment 3).

Stormwater – The subject annexation territory is served by a piped stormwater management system within South 57th Street. However, there are no immediate planned changes to the public stormwater management system associated with this annexation request.

Streets – The subject annexation area has frontage on South 57th Street, which is classified as a major collector street and is currently under Lane County jurisdiction. Along the property frontage, South 57th Street is improved with curb and gutter, curbside sidewalk, lane striping, bicycle lane, and street lighting. There are no immediate planned or required street improvements associated with this annexation request.

Solid Waste Management – The City and Sanipac have an exclusive franchise arrangement for garbage service inside the City limits. Upon annexation, solid waste disposal service can be provided by Sanipac.

Communication Facilities – Various providers offer both wired and wireless communication services in the Eugene-Springfield metropolitan area. Existing providers and those entering the market have the capability to provide service to this area.

Land Use Controls – The annexation area is within Springfield’s urban growth boundary. Through an intergovernmental agreement between Lane County and the City of Springfield, the City already has planning and building jurisdiction for unincorporated areas within the Springfield urban growth boundary. The City will continue to administer land use controls after annexation.

Finding: The minimum level of key urban facilities and services, as outlined in the Metro Plan are either immediately available or can be provided within a reasonable future time frame as needed.

Conclusion: The proposal meets this criterion.

D. Where applicable fiscal impacts to the City have been mitigated through an Annexation Agreement or other mechanism approved by the City Council.

Finding: The property owners requesting annexation have been informed of the requirements for connection of urban utilities to serve the site and understand the responsibility of the developer to fund such improvements.
Because there are no significant fiscal impacts to the City for providing a minimum level of key urban services, an Annexation Agreement is not required for this request. Connection of utilities to serve the annexation area will be undertaken through the City’s standard permitting process.

Conclusion: The proposal meets this criterion.

DIRECTOR’S RECOMMENDATION: Approve the annexation of the subject territory to City of Springfield and Willamalane Park and Recreation District.

City Council Decision (SDC 5.7-145): City Council approval of the annexation application shall be by Ordinance.

Finding: On July 22, 2013, the City Council will conduct a Public Hearing and reading of this Annexation Ordinance. Based on the staff analysis and recommendation to adopt as an emergency ordinance, and on testimony provided at the Public Hearing, the City Council may direct a second reading of the Ordinance to occur on July 22, 2013. The Council may order modifications to this Ordinance in consideration of evidence in the record.

Zoning (SDC 5.7-150): The annexation area is zoned and designated Low Density Residential in accordance with the adopted Metro Plan. Properties that are outside the City limits have the Urbanizable Fringe Overlay District (UF-10) applied to the zoning. Upon the effective date of the annexation, the UF-10 overlay will be automatically removed and the site will retain the Low Density Residential zoning.

Effective Date and Notice of Approved Annexation (SDC 5.7-155): If the annexation is approved by the City Council after a second reading on July 22, 2013, the Ordinance will become effective immediately after adoption by the City Council and signature of the Mayor, and upon acknowledgement of filing with the Secretary of State.

Withdrawal from Special Service Districts (SDC 5.7-160): Withdrawal from special districts may occur concurrently with the approved annexation ordinance or after the effective date of the annexation of territory to the City. The Director shall recommend to the City Council consideration of the withdrawal of the annexed territory from special districts as specified in ORS 222. In determining whether to withdraw the territory, the City Council shall determine whether the withdrawal is in the best interest of the City. Notice of the withdrawal shall be provided in the same manner as the annexation notice in Section 5.7-150.

Finding: The annexation area is within the delineated service territory of the Willakenzie Rural Fire Protection District. Eugene/Springfield Fire & Life Safety will provide emergency response service after annexation. Consistent with SDC 5.7-160, notice was provided, a public hearing was held, and the City Council determined that withdrawal from the Willakenzie Rural Fire Protection District was in the best interest of the City. The withdrawal decision was codified in Ordinance No. 0295.
