I. PROPOSAL:

The proposal is to identify the Historic District in the Grants Pass Downtown area, located between 4th and 6th Streets and G and H Streets, and remove the Landmark List from the Development Code, placing it in the Municipal Code for easier amendment.

II. AUTHORITY AND CRITERIA:

Section 4.102 of the City of Grants Pass Development Code provides that the Director or City Council may initiate a text amendment. The amendment was initiated by the Director.

Sections 4.047 and 13.442 authorize the Historical Buildings and Sites Commission to make a recommendation to the City Council and authorize the City Council to make a final decision on an application for historic designation or amendment to the historic district requiring a Type IV procedure, in accordance with procedures of Section 2.060.

The text of the Development Code may be recommended for amendment and amended provided the criteria in Section 4.103 of the Development Code are met.
III. APPEAL PROCEDURE:

The City Council's final decision may be appealed to the State Land Use Board of Appeals (LUBA) as provided in state statutes. A notice of intent to appeal must be filed with LUBA within 21 days of the Council's written decision.

IV. PROCEDURE:

A. An application for a Development Code text amendment was submitted and deemed complete on October 16, 2013. The application was processed in accordance with Section 2.060 of the Development Code.

B. Notice of the proposed amendment was mailed to the Oregon Department of Land Conservation and Development (DLCD) on October 16, 2013, in accordance with ORS 197.610 and OAR Chapter 660-Division 18.

C. Notice of the November 21, 2013, Historic Buildings and Sites Commission (HBSC) hearing was mailed to potentially interested parties on November 1, 2013.

D. Public notice of the November 21, 2013, HBSC hearing was published in the newspaper on November 10, 2013, in accordance with Sections 2.053 and 2.063 of the Development Code.

E. A public hearing was held by the HBSC on November 21, 2013, to consider the proposal and make a recommendation to City Council.

F. Public notice of the December 18, 2013 City Council hearing was mailed to potentially interested parties on November 27, 2013.

G. A public hearing was held by the City Council on December 18, 2013 to consider the proposal. The City Council approved the ordinance on January 15, 2014.

V. SUMMARY OF EVIDENCE:

A. The basic facts and criteria regarding this application are contained in the December 18, 2013 City Council staff report and its exhibits, which are attached as Exhibit "A" and incorporated herein.

B. The minutes of the public hearing held by the City Council on December 18, 2013, which are attached as Exhibit "B", summarize the oral testimony presented and are hereby adopted and incorporated herein.

C. The PowerPoint presentation given by staff at the December 18, 2013 City Council hearing is attached as Exhibit "C" and incorporated herein.

VI. GENERAL FINDINGS:

With increased pressure to convert historic sites and areas to new uses, many cities in Oregon are establishing historic districts to protect the culturally significant sites in their
communities. Policy 3.50 of the Comprehensive Plan identifies the "old town" district along G Street as a candidate for historic designation. By identifying the Historic District, the City will be able to preserve and protect the historic district in accordance with Section 13.411 of the Development Code.

The City Council recently approved a grant program that provides financial incentive to property owners of historic structures to make repairs and updates in order to comply with current building codes. Qualifying properties must be included on the Landmark List or be located within the Historic District. Timing of the grant application process and the text amendment process to amend the Landmark List in the Development Code are in conflict. The Director of Parks & Community Development directed staff to pursue including the Landmark List in the Municipal Code, and remove it from the Development Code. The Landmark List must be updated through recommendation from the Historic Buildings and Sites Commission and by ordinance from City Council. However, the timeline of the amendment process will enable property owners to comply with the grant application timeline.

The addition of the Landmark List to the Municipal Code requires amendment to Title 9 of the Municipal Code. The Landmark List will be added as Section 9.60 of "Chapter V – Historic Landmarks."

VII. FINDINGS OF FACT - CONFORMANCE WITH APPLICABLE CRITERIA:

The Historic Buildings and Sites Commission found the applicable criteria for a Development Code Text Amendment to be satisfied and recommended approval of the proposed text changes.

CRITERION 1: The proposed amendment is consistent with the purpose of the subject section and article.

City Council Response: Satisfied. The proposal amends two (2) sections within Article 13. Historic Districts may be created by local governments. The creation of the Historic District provides the City with the ability to protect and preserve the historic district in accordance with the Purpose of Article 13 (Section 13.411).

The amendments propose: 1). Designating those blocks between 4\textsuperscript{th} and 6\textsuperscript{th} Streets and G and H Streets as the Downtown Historic District; 2). removing the "Landmark" list from the Development Code and including it in the Municipal Code under Title 9, Section V "Historic Landmarks." The "Landmark" list will continue to provide protection for the preservation of historic, aesthetic and culturally significant sites.

CRITERION 2: The proposed amendment is consistent with other provisions of this code.

City Council Response: Satisfied. The proposed amendments strive to be internally consistent with the provisions outlined in the Code: 1). The amendment to the historic district map is consistent with Sections 4.402 and 4.405 for the initiation and consideration of the amendment; 2). The amendment to the "Landmark" list shall be consistent with Sections 4.047 and 13.442 that authorize
the Historical Buildings and Sites Commission to make a recommendation to the City Council and authorize the City Council to make a final decision on an application for historic designation or amendment to the historic district requiring a Type IV procedure, in accordance with procedures of Section 2.060.

CRITERION 3: The proposed amendment is consistent with the goals and policies of the Comprehensive Plan, and most effectively carries out those goals and policies of all alternatives considered.

City Council Response: Satisfied. The proposed amendments are consistent with Element 3 (Scenic, Rogue River Corridor, Historic and Natural Resources) of the Comprehensive Plan. Policy 3.50 identifies the "old town" district along G Street as a candidate for historic designation. The renovation of historical structures is a good cultural investment. Recent decision by the City Council authorized a grant program that increases the financial incentive to help preserve aging structures and help them comply with current building codes. Structures that contribute to the historic character of a historic district are also eligible for maximum tax benefits and lend a sense of place and purpose to the community.

CRITERION 4: The proposed amendment is consistent with the functions, capacities, and performance standards of transportation facilities identified in the Master Transportation Plan.

City Council Response: Not Applicable. The proposed changes do not have a direct relationship to the functions, capacities, and performance standards of transportation facilities identified in the Master Transportation Plan.

VIII. DECISION AND SUMMARY:

City Council APPROVED the proposed amendments, as presented in Ordinance 13-5590. The vote was 8-0-0 with Councilors Morgan, DeYoung, Gatlin, Hannum, Webber, Riker, Williams, and Goodwin in favor and none opposed.

IX. FINDINGS APPROVED BY THE HISTORIC BUILDINGS AND SITES COMMISSION

this 15th day of January, 2014.

Darin Fowler, Mayor
