The Planning Commission forwarded its recommendation for approval to the City Council.

In accordance with HMC 18.120.020, the City Council held a duly-advertised de novo public hearing on September 10, 2014, to consider the Legislative Amendment to the Zoning Ordinance. At the hearing, the City Council closed the public hearing and deliberated on the proposed Amendment.

The members of the City Council voted to APPROVE the Legislative Zoning Ordinance Amendment, as recommended by the Planning Commission, subject to review and approval of these findings.

Having considered all the testimony presented at the hearings, together with all relevant evidence in the record, the City Council makes the following findings and

FINDINGS RELATING TO THE LEGISLATIVE AMENDMENT TO THE ZONING ORDINANCE

1. Adequacy of the Public Record –

The Council notes that the Legislative Amendment to the Zoning Ordinance affects several areas of the City.

The Council notes that in accordance with HMC 18.120.010(1)(a), the City Council initiated this Legislative Amendment.

The City Council notes that the applicant for this land use action is the City of Harrisburg and that, in accordance with HMC 18.120.020, the Planning Commission conducted and completed a public hearing process for the Legislative Amendment on August 19, 2014. The City Council notes that the public notice for this public hearing was duly mailed on July 30, 2014. The Council notes that the Planning Commission forwarded its recommendation for approval to the City Council.

The Council notes that in accordance with ORS 227.186, the City Council duly-advertised a de novo public hearing to consider this Legislative Amendment. The Council notes that this de novo public hearing was held on September 10, 2014, and that deliberations on the Amendment were made the same day. The Council notes that after deliberating, it approved the Legislative Amendment to the Zoning Ordinance, subject to approval of
formal findings and an ordinance. The Council notes that in reaching its decision it also considered the Planning Commission recommendation, the information and analysis presented by staff, and all public testimony.

**Conclusions on Adequacy of the Public Record**

The City Council finds that there was ample opportunity for the public to testify, the process for developing and reviewing the Legislative Amendment conformed to local and state land use requirements, and the record contains all information needed to evaluate the application for compliance with the applicable criteria.

The City Council accepts and adopts findings contained in the August 12, 2014, staff report to the Planning Commission, the Planning Commission findings in support of the Legislative Amendment, as expressed in the minutes of the Commission’s August 19, 2014, public hearing and deliberations, the September 3, 2014, staff report to the City Council, and findings in support of the Legislative Amendment, as expressed in the minutes of the Council’s September 10, 2014 public hearing and deliberations. These findings shall be referred to as the “Incorporated Findings,” and are to be considered along with the “Supplemental Findings” contained within this document.

2. **Specific Findings Regarding the Zoning Ordinance Amendments**

The City Council notes that the proposed Amendments to the City’s Zoning Ordinance, as recommended by the Planning Commission, were adopted without change. The City Council notes that the September 3, 2014, City Council staff report and its exhibits contain a complete description of the proposed changes. The City Council finds that the proposed Zoning Ordinance Amendments, as proposed by City Staff, recommended for approval by the Planning Commission, and adopted by the City Council, are consistent with the applicable policies of the Comprehensive Plan, and other applicable criteria, as determined in the analysis provided by Staff in the staff report to the Planning Commission. Specifically, the Council finds that the proposed Zoning Ordinance Amendments are consistent with Comprehensive
