NOTICE OF ADOPTED CHANGE
TO A COMPREHENSIVE PLAN OR
LAND USE REGULATION

Local governments are required to send notice of an adopted change to a comprehensive plan or land use regulation no more than 20 days after the adoption. (See OAR 660-018-0040). The rules require that the notice include a completed copy of this form. This notice form is not for submittal of a completed periodic review task or a plan amendment reviewed in the manner of periodic review. Use Form 4 for an adopted urban growth boundary including over 50 acres by a city with a population greater than 2,500 within the UGB or an urban growth boundary amendment over 100 acres adopted by a metropolitan service district. Use Form 5 for an adopted urban reserve designation, or amendment to add over 50 acres, by a city with a population greater than 2,500 within the UGB. Use Form 6 with submittal of an adopted periodic review task.

ORDINANCE NO. 6088

ZONE CHANGE 003-14: RIVER ROAD

AN ORDINANCE AMENDING THE OFFICIAL ZONING MAP, A PORTION OF HILLSBORO ZONING ORDINANCE NO. 1945, AS AMENDED, BY CHANGING THE ZONING OF A TRACT OF LAND FROM COUNTY FD-20 FUTURE DEVELOPMENT, 20-ACRE MINIMUM LOT SIZE, AND COUNTY INST INSTITUTIONAL, TO CITY A-1 DUPLEX RESIDENTIAL.

WHEREAS, a certain tract of land described herein has been annexed to the City of Hillsboro; and

WHEREAS, rezoning annexed property from a County designation to a City zone allows for development of that property in accordance with City standards; and

WHEREAS, the City of Hillsboro Planning Commission approved Order No. 8114 on May 28, 2014, initiating the zone change on the annexed property described below; and

WHEREAS, the City Council hereby adopts the staff report, attached hereto as Exhibit A, as findings in support of this decision; and

WHEREAS, based on those findings, the City Council hereby determines that the zone change conforms with the Hillsboro Comprehensive Plan and Zoning Ordinance, and the particular zone recommended by the Planning Commission is the best suited for the subject site.

NOW, THEREFORE, THE CITY OF HILLSBORO ORDAINS AS FOLLOWS:

Section 1. The following described tracts of land, also shown on Exhibit B, are hereby rezoned from Washington County FD-20 Future Development, 20 acre minimum lot size, and County INST Institutional, to City A-1 Duplex Residential as defined in the City of Hillsboro Zoning Ordinance No. 1945:

Tax Lots 200, 600 and 700 in the southwest quadrant of Section 09, Township 1 South, Range 2 West, Willamette Meridian; and

Tax Lot 803 in the northwest quadrant of Section 16, Township 1 South, Range 2 West, Willamette Meridian.

Section 2. The City Planning Director is hereby instructed to cause the official zoning map, a part of Ordinance No. 1945, to be amended to include the zone change set forth in Section 1 hereof, upon the effective date of associated Case File No. Annexation 003-14.

Section 3. Except as herein amended, Zoning Ordinance No. 1945, as amended, shall remain in full force and effect.
Section 4. The zone change shall become effective upon filing of the associated annexation records of Case File No. Annexation 003-14 with the Secretary of State as provided by ORS 222.180.

Section 5. This ordinance shall be effective from and after 30 days following its passage and approval by the Mayor.

First approval of the Council on this 17th day of June 2014.

Second approval and adoption by the Council on this 1st day of July 2014.

Approved by the Mayor this 1st day of July 2014.

STAFF REPORT

To: City Council

From: Planning Department

Date: May 30, 2014

Subject: Request for Approval of Zone Change
Case File No. Zone Change 003-14: River Road

Requested City Council Action:
Staff requests that the City Council hold a public hearing at its June 17, 2014 meeting to receive public testimony for a proposed zone change from the County designations of FD-20 Future Development, 20 acre minimum lot size, and INST Institutional, to City A-1 Duplex Residential. The subject properties consist of four tax lots totaling approximately 11.24 acres. After receipt of public testimony, staff requests that the City Council consider adoption of the attached ordinance.

Background:
The City of Hillsboro, acting as applicant, requests a zone change from the County designations of FD-20 Future Development, 20 acre minimum lot size, and INST Institutional, to City A-1 Duplex Residential on four properties totaling approximately 11.24 acres. The purpose of the zone change request is to implement the RM Residential Medium Density and the OS Open Space Comprehensive Plan designations on the properties following annexation. The property owners are Robert and Claudia Hale, and Huey and Jodean Long, represented by Zeto Homes.

This zone change is in conjunction with an annexation application for the same properties (Case File No. Annexation 003-14), which will also be reviewed by the City Council at their June 17, 2014 meeting. Pursuant to Zoning Ordinance Section 97, the Planning Commission approved Order No. 8114 on May 28, 2014, initiating this zone change request.

Site Description:
The properties under consideration for annexation and rezoning are located generally west of SW River Road, south of its intersection with SE Davis Road, and south of the Clean Water Services (CWS) River Road Pump Station. To the west the properties border on vacant land largely consisting of riparian zone associated with Witch Hazel Creek, and beyond which is the City’s Rood Bridge Park. The subject properties can be specifically identified as Tax Lots 200, 600, and 700 on Washington County Assessor’s Tax Map 1S2-09CD, and Tax Lot 803 on Washington County Assessor’s Tax Map 1S2-16A. The total Taxable Assessed Value for the four properties is $752,350 and the Market Total Value is $1,344,170. The properties have a Washington County plan designation of FD-20 Future Development, 20 acre minimum lot size,
with a small area designated as INST Institutional at the northwest corner of tax lot 200. The properties all have frontage on SW River Road.

Each of the properties is improved with a single-family home and outbuildings, with the exception of tax lot 803 which is vacant. The eastern areas of each lot tend to be essentially flat and roughly equal in elevation to River Road, and are generally maintained as lawn or cultivated as grass hay. The western portions are sparsely to heavily wooded and slope downward toward Witch Hazel Creek; these areas are within the Significant Natural Resource Overlay (SNRO) associated with the creek. The northwest corner of tax lot 200 also includes 100-year floodplain of the creek.

Applicable Plan Policies and Implementation Measures:

Section 2. Urbanization Implementation Measure (IV)(A)(S) The infill of vacant, bypassed lands, between areas of development, at an urban level, shall be encouraged. Appropriate measures shall be taken to insure that new development in infill areas is compatible with existing developed areas. The City will support a proposed annexation of infill areas and allow subsequent development to occur under the clear and objective standards in its implementing ordinances, including the Zoning and Subdivision ordinances.

Section 2.IV. Urbanization Implementation Measure (G) All land in the Hillsboro Planning Area is assumed to be available for annexation and/or development, consistent with the Comprehensive Plan, zoning, subdivision regulations, and the Urban Planning Area Agreement.

Section 2. IV. Urbanization Implementation Measure (J) Land uses identified by the Comprehensive Plan Land Use Map have been determined to be the most suitable needed by the City. To meet the burden of proof for a proposed zone change, it is both necessary and sufficient to show that the proposed zone change is consistent with and represents the highest land use allowed by the Comprehensive Plan Land Use Map, and in the case of zone changes in the residential areas, the proposed zone shall allow development of housing at a density within the range designated by the Land Use Map. In addition, the City may attach clear and objective conditions to the zone change provided such conditions are consistent with the Comprehensive Plan, the Zoning Ordinance and other rules and policies regulating development in the City.

Approval Criteria:
Zoning Ordinance No. 1945, Section 114 (2) specifies the approval criteria for a proposed zone change as follows:

a) The request must conform with the Hillsboro Comprehensive Plan and this Ordinance; (and)

b) Where more than one designation is available to implement the Comprehensive Plan designation (e.g. R-7 vs. R-10), the applicant must justify the particular zoning being sought and show that it is best suited for the specific site, based upon specific policies of the Hillsboro Comprehensive Plan.

Section 114(1) of the Zoning Ordinance lists conditions, stipulations or limitations that may be attached to a zone change approval:

a. Street improvements abutting/within the development area;
b. Street dedication abutting/within the development area;
c. Joint use/access agreement;
d. Improvement agreements for the installation of necessary on-site public facilities;
e. Utility easements;
f. Landscaping;
g. Off-street parking;
h. Storm drainage easements;
i. Off-site public improvements when the rezoning and subsequent development will contribute significantly to the need for such off-site improvements;
j. Development Review approval by the Planning Commission; for projects in zones or locations for which development requirements and design standards are specified in the Zoning Ordinance;
k. Screening, fencing;
l. Limiting access;
m. Surety/performance bond;
n. Non-remonstrance clause.

Testimony Received:
No written comments or testimony have been received to date either from private or public entities.

Discussion:
The City Comprehensive Plan designation is RM Residential Medium Density for the eastern portions of all four properties, and OS Open Space for the western portions. There are two zones which implement the RM plan designation: R-4.5 Single Family Residential, and A-1 Duplex Residential. The OS Open Space designation has no specific implementing zone. The properties lie between the existing Clean Water Services River Road Pump Station to the north, and undeveloped property to the south. The properties surround two existing A-1 zoned properties (tax lots 300 and 400). The properties are framed by the Witch Hazel Creek drainage to the west.

To the north, SE Davis Road and SW River Road meet in a signaled three-leg intersection bordering on the CWS pump station property. The Witch Hazel Village addendum to the Comprehensive Plan indicates a future public street extending north-south through the proposed annexation site, connecting at its north end with SW River Road to form the fourth leg of the intersection with SE Davis Road, and at the south connecting to River Road opposite SE Oakhurst Street, with a cul de sac extension into property further south. The north end of the indicated public street would lie within the Clean Water Services pump station property north of the proposed annexation property, but the connection opposite SE Oakhurst Street would lie primarily within tax lot 600 of the proposed annexation properties. This public street is intended to provide access for residential development on the west side of River Road. This public street would be required to be constructed as part of future development approval for the properties; development applications cannot be submitted until annexation has been approved by the City and formally acknowledged by the State of Oregon.

The Witch Hazel Community Plan includes findings which state the area was designated for medium-density housing in order "to permit the widest range of housing types and income levels to be accommodated in the community." Elsewhere in the plan, the text states that the purpose of the medium-density designation in the plan area is to provide flexibility for detached single-family housing, attach single-family housing, and multi-family housing. Staff notes that the only housing type allowed by the R-4.5 zone is single-family detached. The A-1 zone, however, allows single-family detached housing, attached single-family housing, and multi-family housing. Thus, the A-1 zone is more consistent with the provisions from the community plan than is the R-4.5 zone and thus is the more suitable zone for the subject properties.
The community plan discusses the area identified as OS Open Space, in terms of potential future use as part of a trail corridor on the fringes of the riparian and floodplain area. The OS designation was not placed based on any formal delineation of the resource areas and therefore is considered more as a general designation, with the resource areas to be delineated at the time development is actually proposed. At that point, the Hillsboro Zoning Ordinance standards pertaining to development/alteration of Significant Natural Resource Overlay areas and flood plain would apply. The Significant Natural Resource Overlay and flood plain areas are overlays which are not based on zoning boundaries and do not require any specific zone. Thus, the same A-1 zone can be applied to the entire property.

During the zone change initiation process the Planning Commission agreed with this assessment and adopted Order No. 8114 recommending the A-1 zone as the most appropriate zone for the site.

Cost:
The only associated cost with this proposal is staff time.

Recommendation:
Should the City Council choose to approve the requested zone change, Planning staff recommends that no conditions be placed on the property.

Respectfully submitted,

ZONE CHANGE 003-14 RIVER ROAD

AN ORDER INITIATING A ZONE CHANGE UPON CERTAIN TRACTS OF LAND WHICH HAVE BEEN PROPOSED FOR ANNEXATION INTO THE CITY OF HILLSBORO

WHEREAS, the owners of certain tracts of land, which are contiguous to the City of Hillsboro, filed with the City written consent and a request that the real property be annexed to the City, and

WHEREAS, Section 97 of the City of Hillsboro Zoning Ordinance No. 1945 states that the Planning Commission shall recommend a zone classification for areas which are being considered for concurrent annexation and zone change, and

WHEREAS, the Witch Hazel Village addendum to the Comprehensive Plan Land Use Map designates the subject property as RM Residential Medium Density and OS Open Space, and

WHEREAS, the Planning Commission has determined that the zone which most appropriately implements the RM Residential Medium Density and the OS Open Space designation of the City is A-1 Duplex Residential.

NOW THEREFORE, THE CITY OF HILLSBORO PLANNING COMMISSION ORDERS AS FOLLOWS:

Section 1. Based on the testimony and record, the Commission recommends the rezoning of the tracts of land described below, and attached as Exhibit A, from County FD-20 Future Development, 20-acre minimum lot size, and County INST Institutional, to City A-1 Duplex Residential as defined in the City of Hillsboro Zoning Ordinance No. 1945:

Tax Lots 200, 600 and 700 in the southwest quadrant of Section 09, Township 1 South, Range 2 West, Williamette Meridian; and

Tax Lot 803 in the northwest quadrant of Section 16, Township 1 South, Range 2 West, Williamette Meridian.

Section 2. Pursuant to Zoning Ordinance Section 97, that the Planning Commission’s recommendation be forwarded to City Council for a public hearing on the proposed zone change, at a time the Council deems appropriate, upon the question of rezoning the above described tracts to A-1 Duplex Residential.

Section 3. This order takes effect immediately upon approval.

Approved this 28th day of May 2014.
