Any supplemental information that may be useful to inform DLCD or members of the public of the effect of the actual change.
ORDINANCE NO. 4977

An Ordinance amending certain chapters of the McMinnville Zoning Ordinance to comply with recently passed State legislation, and to add Tasting Rooms as a permitted use in the M-L (Limited Light Industrial) zone.

RECITALS:

WHEREAS, Oregon’s 2013 legislative session passed into law SB 462 (related to composting) and SB 465 (related to the federal flood insurance program) that affect McMinnville’s Planning Department procedures and the City’s zoning ordinance (ORD No 3380). To address these bills, staff has proposed revisions to Chapters 17.06 and 17.42 of the McMinnville zoning ordinance; and

WHEREAS, the Planning Department has received numerous inquiries from wine industry representatives regarding an interest in operating tasting rooms as an ancillary use to wine processing, storage, and distribution facilities located on industrially zoned land within the city. While this is currently not permitted, McMinnville is aware that wine tasting rooms permitted as incidental uses to wineries located in industrial zones have become more prevalent in nearby cities. McMinnville also recognizes the similarity between tasting rooms for wineries, breweries, distilleries, and other food production facilities. Given McMinnville’s commitment to supporting the evolving needs of the business community, the Planning Commission directed staff to prepare amendments that would add Tasting Rooms as a permitted use in the M-L (Limited Light Industrial) zone; and

WHEREAS, draft amendments to Chapters 17.06, 17.36, and 17.42 were presented to the Planning Commission at a public hearing held on January 16, 2014, after due notice had been published in the “News Register” and after due notice was provided to the Oregon Department of Land Conservation and Development (DLCD) not less than 35 days prior to the public hearing. No public testimony was offered at the hearing in response to the proposed changes; and

WHEREAS, following the close of the public hearing and subsequent deliberation, the Commission voted unanimously to forward a recommendation to the City Council for approval of the proposed amendments to Chapters 17.06, 17.36, and 17.42 of the McMinnville zoning ordinance as presented by staff; Now, therefore
