BEFORE THE BOARD OF COUNTY COMMISSIONERS
FOR MULTNOMAH COUNTY, OREGON

ORDINANCE NO. 1218

Amending MCC Chapters 11, 33, 34, 35 and 36 Relating to Forest Practice Buildings in the Commercial Forest Zones.

(Language strikethrough is deleted; underlined language is new.)

The Multnomah County Board of Commissioners Finds:

a. Periodically, there is a need to amend County land use policies or regulations to address a change in law or circumstance; to implement elements of the Multnomah County Comprehensive Plan; or to make technical corrections for, among other things, clarification and consistency (commonly referred to as “housekeeping amendments”). Having identified such need, the Multnomah County Planning Commission recommended the adoption of this ordinance to the Board of County Commissioners. The Planning Commission made such recommendation through adoption of the resolution described below and pursuant to its authority in MCC 33.0140, 34.0140, 35.0140, 36.0140, 37.0710, and 38.0710 and in ORS 215.110.

b. Planning Commission Resolution No. PC-2014-3250 relates to Commercial Forest Use (CFU) lands which conserve and protect designated lands for continued commercial growth and harvesting timber and the production of wood fiber and other forest products by limiting development of houses and structures. Currently, structures associated with forest practices are permitted on a temporary basis and are required to obtain building permits. This ordinance amends the CFU zones to allow for the establishment of forest practice structures on a permanent basis and without needing to obtain a building permit when demonstrated there is a valid forest practice on site. This is the same way the County currently regulates agricultural buildings on Exclusive Farm Use properties. Upon adoption of the ordinance, forest practice buildings will continue to require compliance with setbacks, access, maximum height limitations, environmental zones, hillside development standards, etc.

c. The Planning Commission held a public hearing on November 3, 2014, during which all interested persons were given the opportunity to appear and be heard. Notice of the Planning Commission’s hearing was published in the Oregonian newspaper and on the website of the Multnomah County Land Use Planning Program. Individual notice under ORS 215.503 (commonly referred to as “Ballot Measure 56 notice”) was not required because this ordinance will not: amend any element of the county’s comprehensive plan, enact a new comprehensive plan, change any base zoning classification, or limit or prohibit any land use previously allowed in any affected zone.

d. The Planning Commission’s recommendation is sound and derives from the proper execution of its duties and authority.
