B. Noise. As may be permitted under all applicable laws and regulations.

C. Storage. All materials, including wastes, shall be stored and maintained in a manner that will not attract or aid the propagation of insects or rodents or other animals or birds, or otherwise create a health hazard or nuisance.

D. Fencing. Will be allowed inside a boundary planting screen and where it is necessary to protect property of the use concerned or to protect the public from a dangerous condition. Proposed fence locations and design shall be subject to City review.

E. Buffer. Where this zone adjoins another non-industrial zone there shall be a buffer area at least 10 feet wide to provide a dense evergreen landscape buffer which attains a mature height of eight feet, or such other screening measures as may be prescribed by the City in the event differences in elevation or other circumstances should defeat the purpose of this requirement.

F. Vibration. No vibration other than that caused by highway vehicles, trains and aircraft shall be permitted which is discernible without instruments at the property line of the use concerned.

G. Airport Interference. No use shall create electrical or lighting interference with the operations of the Port of Astoria Airport.
H. **Setbacks.** The minimum front, side and rear yard setbacks shall be 10 feet. When across a street from a non-industrial zone, the setback from the property line shall be 10 feet. When a property abuts a non-industrial zone, the setback shall be as follows:

1. 50 feet for buildings and other structures more than 10 feet in height;

2. 30 feet for buildings and structures more than six feet high but not more than 10 feet high; and

3. 10 feet for structures no more than six feet high (except fences no more than six feet high may be on the property line).

I. All development shall comply with the wetland and riparian area protection standards of Chapter 16.156.

J. **Building Height.** The maximum building height shall be 45 feet, except that it may be lower under either of the following circumstances:

1. Within 100 feet of a non-industrial zone, where the maximum building height shall be the same as the maximum building height in that zone.

2. Within the Airport Hazard Overlay Zone, where the maximum building height is described by the Airport Hazard Overlay Zone.

K. All other applicable Code requirements shall be satisfied.

L. All new sewer and water connections for a proposed development shall comply with all City regulations.

M. Prior to undertaking disposal, the dredging project proponent shall consult with the Army Corps and Oregon DSL to determine if the disposal site contains wetlands that are regulated under permit programs administered by those agencies. If the site contains regulated wetlands, the dredging project proponent shall either alter the disposal site boundaries to avoid the wetlands and leave an acceptable protective buffer, or obtain the necessary Corps and DSL permits to fill the wetlands.

N. Recreational marijuana production, recreational marijuana processing, and recreational marijuana wholesale activities shall be located only east of Highway 101 and at least 1,000 feet from any public or private school, church, public park or child care center, and shall exclusively as a
single building occupant or with other licensed medical marijuana dispensaries or recreational marijuana retail outlets.

Section 5. Severability. If any section sentence, clause or phase of this ordinance is ruled invalid by a court of competent jurisdiction, the remaining portion of this ordinance shall remain valid and in full force and effect.

Section 6. Effective Date. This ordinance shall be effective 30 days after the second reading.

ADOPTED by the City of Warrenton, Oregon, this 10th day of November, 2015.
