C. There are no requirements for lot area or width, or for yard setbacks except as necessary to meet the off-street parking and loading requirements or as a condition of approval. [Ord. 09-360-O; Ord. 373 § 3.040(4), 1982].

17.30.060 General requirements.

A. No use shall be permitted and no process, equipment or materials shall be used which are found by the planning commission to be harmful to persons living or working in the vicinity or by reason of odor, fumes, dust, smoke, cinders, dirt, refuse, water-carried waste, noise, vibrations, illumination, glare, or unsightliness or to involve any hazard of fire or explosions.

B. All business, services and processes shall be conducted entirely within a completely enclosed structure, or in an area immediately adjacent thereto, provided the area of such outside use is paved and does not exceed 10 percent of the area of the enclosed commercial use and is entirely on privately owned property. Off-street parking and loading areas, gasoline stations, outdoor dining, entertainment or recreation areas, and garden shops, Christmas tree sales lots, bus stations, automobile sales, and trailer sales or rentals need not be within an enclosed structure.
C. Open storage of materials attendant to a permitted use or conditional use shall be permitted only within a paved area surrounded or screened by an approved solid wall or an approved site screening fence six feet in height; provided, that no materials or equipment, except vehicles, shall be stored to a height greater than that of the wall or fence.

D. Where a site adjoins or is located across an alley from a residential district, a solid wall or fence, six feet in height, shall be located on the property line common to such districts, except in a required front yard, where it must be inside the property line.

E. All new development shall be required to provide half street improvements along all frontage roads, including curbs, gutters, sidewalks and storm drain facilities, and pavement to the center line of the road(s).

F. Any developer working in any public right-of-way within the city limits shall provide the city with a certificate of insurance in the amount of $1,000,000 naming the city as an additional insured. Public utilities are exempt from this subsection. [Ord. 09-360-O; Ord. 373 § 3.040(5), 1982].
