Ordinance No. 2016-02
THE BOARD OF COMMISSIONERS OF UMATILLA COUNTY

STATE OF OREGON

In the Matter of Amending
Umatilla County Development Code to Update and Revise
Multiple Sections

ORDINANCE NO. 2016-02

WHEREAS the Board of Commissioners has ordained Ordinance No. 83-04, adopting the County Land Development Ordinance, codified in Chapter 152 of the Umatilla County Code of Ordinances;

WHEREAS the Planning Department staff drafted a number of updates to the code and the comprehensive plan, including replacement dwelling process, kennels, dog training, park models, definitions, false permit information, land division review, parking, solar facility, wind power generation facility, secondary dwelling or structure, and incorporating legislative changes;

WHEREAS the Umatilla County Planning Commission held a public hearing regarding the proposed amendments on February 25, 2016, and forwarded the proposed amendments to the Board of Commissioners with a recommendation for adoption;

WHEREAS the Board of Commissions held a public hearing on March 16, 2016, to consider the proposed amendments, and voted to approve the amendments to the Land Development Ordinance with revisions.

NOW, THEREFORE the Board of Commissioners of Umatilla County ordains the adoption of the following amendments to the County Land Development Ordinance, codified in Chapter 152 of the Umatilla County Code of Ordinances, to amend as follows (Strikethrough text is deleted; Underlined/Italicized text is added):

(F) Review V. The following review and approval standards of a Type IV, Review V Land Division application is for the creation of parcels less than 160 acres within the EFU and GF zones, where a portion of a lawfully established parcel has been included within an urban growth boundary. And that portion of the EFU or GF zoned parcel that remains outside of the urban growth boundary is smaller than the minimum parcel size of 160 acres the parcel may be divided as follows:

(F) The survey requirement for a Type IV, Review V Land Division application will meet the provisions of § 152.644. If it is determined that a survey and a partition plat is necessary then the technical standards of submittal of the application shall be the same as that for a Type II Land Division, and are therefore subject to §§ 152.681 through 152.683, and §§ 152.685 and 152.686.

(2) The procedure for processing a Type IV, Review II, Land Division application shall
follow the standards set forth in § 152.643(D) and § 152.645(B).

(3) Criteria for approval of a Type IV Review V Land Division application:

(a) The partition must occur along the urban growth boundary; and

(b) If the parcel contains a dwelling, that portion of the parcel with the dwelling must be large enough to support continued residential use.

(c) If the parcel does not contain a dwelling:

(i) The parcel created outside of the urban growth boundary will not be eligible for siting a dwelling, except as may be authorized under ORS 195.120.

(ii) The parcel created outside of the urban growth boundary may not be considered in approving or denying an application for the siting of any other dwelling; and

(iii) The parcel may not be considered in approving a re-designation or rezoning of forestlands under the acknowledged comprehensive plan and land use regulations, except for a re-designation or rezoning to allow a public park, open space or other natural resource use.

(d) The parcels will meet the minimum frontage and access requirements.

(e) Approval of a land division under this section, requires as a condition of approval that the owner of the parcel sign and record in the deed records for the county in which the parcel is located an irrevocable deed restriction prohibiting the owner and the owner’s successors in interest from pursuing a cause of action or claim of relief alleging an injury from farming or forest practices for which a claim or action is not allowed under ORS 30.936 or 30.937.

§ 152.562 ADDITIONAL OFF-STREET PARKING AND LOADING REQUIREMENTS.

(1) Design requirements for parking lots:

(7) Except for parking to serve a single-family residential use, parking and loading areas must meet State Building Code Accessible Parking requirements.

§ 152.060 CONDITIONAL USES PERMITTED.

(FF) Photovoltaic solar power generation facility as provided in OAR 660-033-0130 (38).

§ 152.616 STANDARDS FOR REVIEW OF CONDITIONAL USES AND LAND USE DECISIONS.

(HHH) Commercial Wind Power Generation Facility.

(6) Standards/Criteria of Approval.

(6) New electrical transmission lines associated with the wind project shall not be constructed closer than 500 feet to an existing residence without prior written approval of the homeowner, said written approval to be recorded with county deed records. Exceptions to the 500 feet setback include transmission lines placed in a public right of way. Note: The wind project associated
Transmission distribution lines and substations constructed and owned by the applicant that are not within the project boundary are subject to a separate land use permit. *The applications for the wind project and the associated transmission line and substations shall be submitted together for processing.*

§ 152.722 STANDARDS FOR APPROVAL

(D) Legal access in conformance with the standards of this chapter is provided and/or maintained to all parcels. If necessary to comply with this standard, an easement in conformance with county standards shall be recorded in the county deed records, and a copy of the dedication document and proof of recording shall may be provided either prior to approval or created by recording the deed instrument to convey and complete the property line adjustment approval.

§ 152.571 PERMITTING MORE THAN ONE DWELLING OR PRINCIPAL STRUCTURE ON A LOT OR PARCEL

In a rural residential zone, more than one allowed dwelling may not be erected (excluding special exceptions for temporary hardship homes approved under §152.576) on a single parcel or lot unless a partition, subdivision or replat approval has been finalized. In a commercial or industrial zone each principal structure or use shall be on an individual parcel or lot unless the second principal structure or use is approved by a conditional use permit, and processed as 'other uses similar' to the uses permitted (allowed) in the underlying commercial or industrial zone and before a zoning permit will be issued.

§ 152.025 ZONING PERMIT.

(A) Prior to the construction, reconstruction, addition to or change of use of a structure, or the change of use of a lot, or the installation or replacement of a mobile home on a lot, a zoning permit shall be obtained from the County Planning Department. Within the flood hazard area, a zoning permit shall be required for all other developments including placement of fill, mining, paving, excavation or drilling. Structures of 120 square feet or less in area do not require a zoning permit except when located in a designated flood hazard area or when used for human habitation, or as an addition to an existing dwelling.

§ 152.134 DIMENSIONAL STANDARDS-RR2

(B) Setback requirements. No building or accessory structure shall be located closer than 20 feet from a lot line, except on the street side of a corner lot used for a side yard, the setback shall be 25 feet from the lot line;

§ 152.159 DIMENSIONAL STANDARDS-RR4

(B) Setback requirements. No building or accessory structure shall be located closer than 20 feet from a lot line, except on the street side of a corner lot used for a side yard, the setback shall be 25 feet from the lot line.

§ 152.164 DIMENSIONAL STANDARDS RR10

(B) Setback requirements. No building or accessory structure shall be located closer than 20 feet from the property line, except on the street/road side of a corner lot used for a side yard the setback shall be 55 feet from the
centerline of the road, highway, or easement, or 25 feet from the property line, whichever is greater.

§ 152.173 DIMENSIONAL STANDARDS-MUF
(C) Setback. No building or accessory structure shall be located closer than 35 feet from a lot line. A dwelling shall not be located within 500 feet of an existing aggregate mining operation unless the owner of the property of the proposed dwelling obtains a written release from the adjacent mining operation allowing a closer setback; and waives his rights to remonstrate against normal aggregate mining activities allowed by permits issued under this chapter.

§ 152.218 DIMENSIONAL STANDARDS-FR
(C) Setback. No building or accessory structure shall be located closer than 35 feet from a lot line. A dwelling shall not be located within 500 feet of an existing aggregate mining operation unless the owner of the property of the proposed dwelling obtains a written release from the adjacent mining operation allowing a closer setback; and waives his rights to remonstrate against normal aggregate mining activities allowed by permits issued under this chapter.

§ 152.233 DIMENSIONAL STANDARDS-MR
(C) Setback. No building or accessory structure shall be located closer than 20 feet from a lot line;

§ 152.059 LAND USE DECISIONS. (EFU)
(K) DWELLINGS.
Permits for dwellings approved under this section are valid for four years. A permit extension for an additional two years may be obtained. When a dwelling is approved through a land use decision in this section, the applicant or landowner must obtain a zoning permit pursuant to § 152.612 (D). The zoning permit will be a condition of the approval; all land use decision conditions of approval must be met within two years of the date of the signed final findings, pursuant to § 152.613 (A). A zoning permit issued for a dwelling approved under this land use decision section is authorized for four years from the date of the signed final findings and may be extended, but not for more than a total of six years from the date of the signed final findings. The date the final findings are signed signifies the final decision unless appealed as provided in §152.769 (12).

§ 152.003 DEFINITIONS.
