Ordinance No. 993 Amending SMC Title 17 Provisions Regarding Mixed Use Developments in the CR & CG Zones
BEFORE THE STAYTON PLANNING COMMISSION

In the matter of

) Development Code Amendments regarding
) Mixed Use Buildings in the CR & CG Zones
) Land Use File 1-01/16

RECOMMENDATION OF APPROVAL

I. NATURE OF PROCEEDINGS

The proceedings are for legislative amendments regarding mixed use buildings in the Stayton Municipal Code, Title 17, known as the Stayton Land Use and Development Code.

II. PUBLIC HEARING

A public hearing was held on the proposal before the Stayton Planning Commission on January 25, 2016. At that hearing the Planning Commission reviewed Land Use File #1-01/16 to amend the Land Use and Development Code and made it part of the record. The Planning Commission has considered the testimony at the public hearing.

III. FINDINGS OF FACT

1. Section 17.04.100 of the Land Use and Development Code defines “multi-family dwelling” as a building with four or more dwelling units.

2. Table 17.16.070.1 of the Land Use and Development Code permits multi-family dwellings in the Commercial Retail (CR) and Commercial General (CG) Zones with a footnote that requires the dwellings to be part of a mixed use development and prohibits residences on the ground floor.

3. Single family dwellings, duplexes and triplexes are not permitted in the CR & CG zones, thereby requiring a mixed use building to have at least four dwellings.

4. The proposed amendments would permit single family dwellings, duplexes and triplexes in the CR & CG zones under the same restrictions as multifamily dwellings.

IV. PUBLIC COMMENTS

The Planning Department received no comments prior to the public hearing.

V. ORDER

Based on the findings of fact, the Planning Commission voted on January 25, 2016 to recommend to the City Council enactment of proposed amendments to the Stayton Land Use and Development Code, as presented in a document entitled, “Proposed Amendments regarding Mixed Use Buildings, For Planning Commission Public Hearing, January 25, 2016.”

Land Use Code Amendment Regarding the Mixed Use Buildings
CITY OF STAYTON

MEMORANDUM

TO: Mayor Henry Porter and the Stayton City Council
FROM: Dan Fleishman, Director of Planning and Development
DATE: February 16, 2016
SUBJECT: Public Hearing on Ordinance 993 Regarding Mixed Use Developments in the Commercial Retail and Commercial General Zones

ISSUE
The issue before the City Council is a public hearing on proposed legislative text amendments to the Stayton Land Use and Development Code, Title 17, Chapter 17.16 regarding mixed use developments in the Commercial Retail and Commercial General Zones.

BACKGROUND INFORMATION
The Code currently allows multi-family dwellings in the CR and CG zones provided they are part of mixed use development and not on the ground floor. Single family dwellings, duplexes and triplexes are not permitted in these zones. Whereas “multi-family dwelling” is defined as a building with four or more dwelling units, the code would not allow a mixed use development with three or fewer dwellings on the upper floors of the buildings in these two zones.

ANALYSIS
The proposed amendment would permit single family dwellings, duplexes and triplexes in the CR and CG zones, under the same provisions as currently apply to multi-family dwellings, thereby allowing a mixed use building to have three or fewer dwelling units on the upper floors.

RECOMMENDATION
The Planning Commission has recommended that the City Council enact the amendments. Their Order is attached. Staff recommends the City Council enact Ordinance 993 as presented.
