ISSUE STATEMENT AND SUMMARY
The Council directed Staff to propose amendments to the Land Use and Development Ordinance to provide limited and appropriate zoning use locations for recreational marijuana within the City.

BACKGROUND

A. Council Action History:
   October 13, 2015 – Council decided not to refer a city-wide ban on recreational marijuana to the voters and directed staff to prepare land use regulations to allow such use to be in place by January 1, 2016.

B. Analysis:
   Oregon voters approved Ballot Measure 91 which legalized the use of marijuana products for recreational purposes. The City Council directed Staff to propose amendments to the Land Use and Development Ordinance (LUDO) for adoption prior to January 1, 2016. The amendments would provide limited zoning allowances for recreational marijuana uses. The proposed LUDO amendments are as follows:

1. Adding use definitions to include marijuana processors, producers, retailers, and wholesalers in accordance with Oregon Laws 2015, Chapter 614.

2. Adding zoning provisions as follows:

   Marijuana retailers: allowed in Mixed Use, General Commercial and Community Commercial Zones with the same proximity limitations as medical marijuana dispensaries (1000 feet of each other, a school or pre-school; 500 feet from any property zoned Public Reserve or 200 feet from any property zoned Residential except when an arterial street lies between a dispensary and Residential or Public Reserve zoned property).

   Marijuana processors, producers, and wholesalers: allowed in Mixed Use, Medium Industrial, and Light Industrial Zones as a conditional use and limited to indoor use.

The attached Findings of Fact and Order document provides the proposed justification for the text amendment allowing the proposed marijuana uses on the limited scale listed above.
C. Financial and/or Resource Considerations:
   None at this time

D. Timing Issues:
   The City must have regulations in place by January 1, 2016.
