If you anticipate being away, discuss your absence with your instructor ahead of time so that you can keep up with your assignments. Students will be marked down for repeatedly arriving late to class.

Assignments: Assignments will consist both of in-class activities and of those done outside of class. They will be given on a weekly basis. Assignments should be turned in on time. Late assignments will be marked down.

Quizzes: There will be a short quiz at the beginning of each class. Quizzes will be given in the first ten minutes of each class except for the very first and last classes. No make-ups will be given. The lowest quiz grade will be dropped.

Final Project: Instructions for the final project will be handed out the second day of class. Projects will be due on Friday November 6th no later than 5:00PM. They must be placed in Heather Ward's mailbox in the Reference Office Rm 142 of Knight Library. Projects received after the time and date due will lose one letter grade per day.
