

# Protection Connection Your Source for Sexual Health Supplies

## Why Use Protection (Connection)?

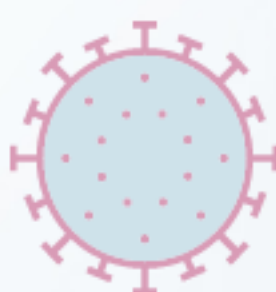

Protection Connection is a discreet online resource for receiving safer sex supplies at UO!

**In a 2018 survey, less than 25% of UO students surveyed said they regularly use barrier protection during vaginal intercourse...**

**HOWEVER 42% of 15-24 year olds who are sexually active do not think they are at risk!**

**AND 1 in 2 people in the United States will contract an STI before age 25!**

## Protection Connection Offers:

Free, convenient, inclusive and discreet sexual supplies that can be delivered to your door or picked up from a local Hot Spot on campus!

## What Can I Get From Protection Connection?

**External Condoms  
Dental Dams  
Water-based and Silicone-based Lubricants**

**Internal Condoms  
Love Gloves**
