Credit Hour Reports

At the present time, reports for student credit hours and full-time equivalency (FTE) are available for fiscal years 2003-04 through 2006-07.

The census date for credit hour and FTE data is the end of the fourth week of each regular (Fall, Winter, Spring) term, and the end of Summer term.

A major new credit hour/FTE reporting system is in progress and will eventually present a much greater degree of flexibility for cross-comparisons and deeper historical analysis. Please check back often for status updates.
