## List of Contributors

---

RICHARD B. ADAMS	N. W. JONES
WILLIAM FITCH ALLEN	THOMAS MARTIN JOYCE
V. THOMAS AUSTIN	LYLE B. KINGERY
HAROLD C. BEAN	FRANK B. KISTNER
MEREDITH G. BEAVER	OLOF LARSELL
HARRY CLYDE BLAIR	HARRY L. LEAVITT
JESSIE LAIRD BRODIE	WILLIAM LEVIN
JOHN C. BROUGHIER	IRA A. MANVILLE
W. H. BUEERMANN	ALBERT MATHIEU
G. E. BURGET	RALPH C. MATSON
T. HOMER COFFEN	FRANK R. MENNE
ROBERT C. COFFEY	C. ULYSSES MOORE
H. G. DENNIS	HAROLD B. MYERS
A. B. DYKMAN	H. T. NOKES
J. EARL ELSE	GEORGE NORMAN PEASE
RALPH A. FENTON	B. I. PHILLIPS
CHARLES FERGUSON	MILLARD S. ROSENBLATT
JOHN H. FITZGIBBON	HOMER P. RUSH
JOHN B. FLYNN	GOODRICH C. SCHAUFFLER
A. J. HOCKETT	LAURENCE SELLING
BLAIR HOLCOMB	MARTIN S. SICHEL
W. B. HOLDEN	E. P. STEINMETZ
WILLARD F. HOLLENBECK	G. R. SUCKOW
ALBERT HOLMAN	C. H. THIENES
R. B. HOPE	ROSS C. B. THORNTON
WARREN C. HUNTER	RAYMOND E. WATKINS

## CONTENTS

---

1. ALLEN, WILLIAM FITCH. Effect of repeated traumatization of the central stump of the hypoglossal nerve on degeneration and regeneration of its fibers and cells. (*Anatomical record*, Vol. 43, No. 1, June 25, 1929).
2. ALLEN, WILLIAM FITCH. Effect on respiration, blood pressure and carotid pulse of various inhaled and insufflated vapors when stimulating one cranial nerve and various combinations of cranial nerves. II. Vagus and vagotomy experiments. (*American journal of physiology*, Vol. 87, No. 3, January, 1929).
3. ALLEN, WILLIAM FITCH. Effect on respiration, blood pressure and carotid pulse of various inhaled and insufflated vapors when stimulating one cranial nerve and various combinations of cranial nerves. III. Olfactory and trigeminals stimulated. (*American journal of physiology*, Vol. 88, No. 1, February, 1929).
4. ALLEN, WILLIAM FITCH. Effect of various inhaled vapors on respiration and blood pressure in anesthetized, unanesthetized, sleeping and anosmic subjects. (*American journal of physiology*, Vol. 88, No. 4, May, 1929).
5. BEAN, HAROLD C. A clinical study of 109 cases of septicemia. (*Medical sentinel*, Vol. 37, No. 12, December, 1929).
6. BEAVER, MEREDITH G. Variations in the extrahepatic biliary tract. (*Archives of surgery*, Vol. 19, No. 2, August, 1929).
7. BLAIR, HARRY CLYDE. Carpal osteitis. (*Annals of surgery*, Vol. 91, No. 5, May, 1929).
8. BLAIR, HARRY CLYDE. Tuberculosis of symphysis pubis. (*Journal of bone and joint surgery*, Vol. 11, No. 2, April, 1929).
9. BRODIE, JESSIE LAIRD. Congenital pyloric obstruction. I. Etiology: An experimental study. (*American journal of physiology*, Vol. 89, No. 2, July, 1929).
10. BROUGHER, JOHN C. The present status of calcium therapy. (*Medical sentinel*, Vol. 37, No. 1, January, 1929).
11. BUEERMANN, W. H. The carcinomatous gastric ulcer; clinical and pathologic considerations. (*Northwest medicine*, Vol. 28, No. 9, September, 1929).
12. COFFEN, T. HOMER. The incidence of heart disease in the Pacific Northwest. (*American heart journal*, Vol. 5, No. 1, October, 1929).

13. COFFEY, ROBERT C. Bilateral submucous transplantation of ureters into large intestine by tube technic. (*Journal of the American medical association*, Vol. 93, No. 20, November 16, 1929).
14. COFFEY, ROBERT C. The difficulties and pitfalls of transplantation of the ureters into the large bowel. (*American journal of surgery*, N. S., Vol. 6, No. 3, March, 1929).
15. COFFEY, ROBERT C. The quarantine in abdominal surgery. (*American journal of surgery*, N. S., Vol. 6, No. 5, May, 1929).
16. DYKMAN, A. B. Headache and eyestrain. (*Northwest medicine*, Vol. 28, No. 1, January, 1929).
17. ELSE, J. EARL. Carcinoma of the esophagus. (*Northwest medicine*, Vol. 28, No. 1, January, 1929).
18. ELSE, J. EARL. Complications of cholecystitis. (*Medical sentinel*), Vol. 37, No. 5, May, 1929).
19. ELSE, J. EARL. The relationship of iodine to thyroid hyperplasia and function. (*Endocrinology*, Vol. 13, No. 1, January-February, 1929).
20. ELSE, J. EARL. The treatment of the desperate goiter patient. (*American journal of surgery*, N. S., Vol. 6, No. 1, January, 1929).
21. FENTON, RALPH A. Further experience with the dichloramin treatment of mastoid wounds. (*Annals of otology, rhinology and laryngology*, Vol. 38, No. 3, September, 1929).
22. FENTON, RALPH A. The present status of intranasal operations for the relief of involvement of the optic nerve. (*Archives of otolaryngology*, Vol. 9, No. 6, June, 1929).
23. FENTON, RALPH A. Radical treatment of the ethmoid: intranasal. (*Annals of otology, rhinology and laryngology*, Vol. 38, No. 4, December, 1929).
24. FITZGIBBON, JOHN H. Esophageal stenosis following typhoid fever. (*Northwest medicine*, Vol. 28, No. 10, October, 1929).
25. HOCKETT, A. J. The effect of alkalis upon the solubility of quinine salts. (*Proceedings of the society for experimental biology and medicine*, Vol. 26, No. 7, April, 1929).
26. HOCKETT, A. J. Reciprocal activity of the muscle coats of guinea pig intestine. (*Proceedings of the society for experimental biology and medicine*, Vol. 26, No. 9, June, 1929).
27. HOLCOMB, BLAIR. A study of blood sugar curves before and after thyroidectomy. (*Endocrinology*, Vol. 13, No. 5, September-October, 1929).
28. HOLDEN, W. B. Acute intestinal obstruction—its treatment. (*California and western medicine*, Vol. 31, No. 6, December, 1929).
29. HOLLENBECK, WILLARD F. Malignancy of the gastrointestinal tract. (*Northwest medicine*, Vol. 28, No. 9, September, 1929).
30. HUNTER, WARREN C. Experimental study of acquired resistance of the rabbit's renal epithelium to mercuric chloride. (*Annals of internal medicine*, Vol. 2, No. 8, February, 1929).
31. HUNTER, WARREN C., and ADAMS, RICHARD B. Hematologic study of three generations of a white family showing elliptical erythrocytes. (*Annals of internal medicine*, Vol. 2, No. 11, May, 1929).
32. JONES, N. W.; PHILLIPS, B. I.; LARSELL, OLOF; NOKES, H. T. The hemopoietic effect of nuclear extractives in human anemias. (*Annals of internal medicine*, Vol. 2, No. 7, January, 1929).
33. JOYCE, THOMAS MARTIN. Resection of the proximal duodenum and pyloric sphincter for multiple duodenal ulcers. (*Annals of surgery*, Vol. 90, No. 1, July, 1929).
34. KINGERY, LYLE B. Thymol and cinnamon oil in the treatment of ringworm of the scalp. (*Archives of dermatology and syphilology*, Vol. 20, No. 6, December, 1929).
35. KISTNER, FRANK B. Chronic nonpurulent sinusitis and its clinical significance. (*Annals of otology, rhinology and laryngology*, Vol. 38, No. 3, September, 1929).
36. KISTNER, FRANK B. Pathology of sinusitis. (*Annals of otology, rhinology and laryngology*, Vol. 38, No. 4, December, 1929).
37. LARSELL, OLOF. The effect of experimental excision of one eye on the development of the optic lobe and opticus layer in larvae of the tree-frog (*Hyla regilla*). (*Journal of comparative neurology*, Vol. 48, No. 2, August 15, 1929).
38. LARSELL, OLOF. The nerve terminations in the lateral line organs of *Amblystoma*. (*Journal of comparative neurology*, Vol. 48, No. 3, October 15, 1929).
39. LEVIN, WILLIAM. Microscopic and serologic tests for syphilis. (*Northwest medicine*, Vol. 28, No. 11, November, 1929).
40. MANVILLE, IRA A. The ultraviolet component of the sunlight of Portland, Ore. (*American journal of diseases of children*, Vol. 37, No. 5, May, 1929).
41. MATHIEU, ALBERT. Lipiodal as a diagnostic aid in fibromata of female genital tract. (*American journal of surgery*, N. S., Vol. 6, No. 6, June, 1929).

42. MATHIEU, ALBERT. Pregnancy tests. (*Medical sentinel*, Vol. 37, No. 11, November, 1929).
43. MATHIEU, ALBERT. Sedimentation of red blood cells. (*Medical sentinel*, Vol. 37, No. 12, December, 1929).
44. MATHIEU, ALBERT. Visualization of the uterine and tubal cavities. An estimation of the value, dangers and contra-indications—with a section on technic. (*International clinics*, Vol. 3, Series 39, September, 1929).
45. MATHIEU, ALBERT, and HOLMAN, ALBERT. Resuscitation of the asphyxiated new-born. (*Journal of the American medical association*, Vol. 92, No. 23, June 8, 1929).
46. MATHIEU, ALBERT, and SCHAUFFLER, GOODRICH C. The management of sterility. An analysis of sixty-seven cases in private practice. (*Northwest medicine*, Vol. 28, No. 2, February, 1929).
47. MATSON, RALPH C. The cauterization of adhesions in artificial pneumothorax by the Jacobaeus-Unverricht method of closed pneumolysis. (*American review of tuberculosis*, Vol. 19, No. 3, March, 1929).
48. MATSON, RALPH C. The electrosurgical method of closed intrapleural pneumolysis in artificial pneumothorax. (*Archives of surgery*, Vol. 19, No. 12, December, 1929).
49. MENNE, FRANK R. The thyroid gland in hyperthyroidism. (*Archives of pathology*, Vol. 8, No. 6, December, 1929).
50. MOORE, C. ULYSSES. Nutritional allergy in children. (*Medical sentinel*, Vol. 37, No. 4, April, 1929).
51. MOORE, C. ULYSSES; BRODIE, JESSIE L.; DENNIS, H. G.; HOPE, R. B. Congenital pyloric obstruction. II. Etiology prophylaxis and treatment. (*Archives of pediatrics*, Vol. 46, No. 7, July, 1929).
52. MYERS, HAROLD B., and AUSTIN, THOMAS. Nitrite tolerations. (*Journal of pharmacology and experimental therapeutics*, Vol. 36, No. 2, June, 1929).
53. MYERS, HAROLD B., and FERGUSON, CHARLES. The effect of salicylate administration on the acetone body content of the blood. (*Journal of pharmacology and experimental therapeutics*, Vol. 35, No. 3, March, 1929).
54. MYERS, HAROLD B., and FERGUSON, CHARLES. Iodine poisoning counteracted by thiosulphate. (*Proceedings of the society for experimental biology and medicine*, Vol. 25, No. 9, June, 1928). (Note: This was received too late for inclusion in the 1928 volumes of Collected Reprints from the University of Oregon Medical School).
55. MYERS, HAROLD B., and FLYNN, JOHN B. Effect of morphine in moderate doses upon growth of the white rat. (*Proceedings of the society for experimental biology and medicine*, Vol. 25, No. 9, June, 1928). (Note: This was received too late for inclusion in the 1928 volume of Collected Reprints from the University of Oregon Medical School).
56. PEASE, GEORGE NORMAN. Fifteen years experience with spinal anesthesia. (*Northwest medicine*, Vol. 28, No. 3, March, 1929).
57. ROSENBLATT, MILLARD S. Torsion of the spermatic cord with gangrene. (*Medical sentinel*, Vol. 37, No. 7, July, 1929).
58. RUSH, HOMER P. Administration of digitalis. (*Northwest medicine*, Vol. 28, No. 12, December, 1929).
59. SCHAUFFLER, GOODRICH C. Menstruating tract from uterus to anterior abdominal wall: report of a case. (*Northwest medicine*, Vol. 28, No. 9, September, 1929).
60. SELLING, LAURENCE. The role of infection in the etiology of tics. (*Archives of neurology and psychiatry*, Vol. 22, No. 6, December, 1929).
61. SICHEL, MARTIN S. The value of roentgenology in obstetrics. (*Medical sentinel*, Vol. 37, No. 6, June, 1929).
62. STEINMETZ, E. P. One "Maternity's" statistics. (*Medical sentinel*, Vol. 37, No. 7, July, 1929).
63. SUCKOW, G. R., and BURGET, G. E. The response of isolated segments of intestine and uterus to adrenalin at different pH levels of the bath. (*American journal of physiology*, Vol. 88, No. 1, February, 1929).
64. THIENES, C. H. Action of ergot alkaloids on intestine and uterus. (*Proceedings of the society for experimental biology and medicine*, Vol. 26, No. 6, March, 1929).
65. THIENES, C. H. Ephedrine-ephinephrine antagonism. (*Proceedings of the society for experimental biology and medicine*, Vol. 26, No. 6, March, 1929).
66. THIENES, C. H. Experiments with nicotine upon growing white mice. (*American journal of hygiene*, Vol. 9, No. 2, March, 1929).
67. THIENES, C. H. A new monilia-like fungus. (*Archives of dermatology and syphilology*, Vol. 19, No. 5, May, 1929).
68. THIENES, C. H. Nicotine tolerance in the white rat. (*Proceedings of the society for experimental biology and medicine*, Vol. 26, No. 9, June, 1929).
69. THORNTON, ROSS C. B., and LEAVITT, HARRY L. Locke's vs. Tyrode's for perfusion of segments of intestine. (*Proceedings of the society for experimental biology and medicine*, Vol. 26, No. 9, June, 1929).
70. WATKINS, RAYMOND E. Ureterovaginal fistula secondary to a high forceps delivery. (*American journal of obstetrics and gynecology*, Vol. 18, No. 3, September, 1929).
